VETERAN SAILS ON SAME SHIP AS WIFE, SON

Three Newmarket veterans are expected to arrive in Toronto today after service overseas. They are Ples. Lowell Guy Widdifield, son of Mr. and Mrs. B. Frank Widdifield, 5 Davis Dr., William John Weir, son of Mrs. John Weir, 8 Ellen St., and the late Mr. Weir; and Cpl. G. D. Tomlinson, 13 College St. Ples. Widdifield has been overseas for a year and a half. He has served in England, Holland and in Germany with the occupational forces. He is married to the former Alta Mitchell and has one daughter, Judy, three years old. Before enlisting he was employed at Pellock's Fox Farm at Jersey and for a short time was a farm hand at Keswick. Ples. Weir, 68 Andrew St., has been overseas for two years and saw service with the infantry in Belgium, Holland and Germany. He saw action in Germany when the final blows were being struck. Ples. Weir trained at Simcoe, Borden and Debert, N.S., before going overseas. Brought up and educated at Newmarket, he was married ten years ago and now has three children, Larry, Lois and Kenneth. His father, John Weir, died last March. Before enlisting he was employed by Davis Leather Co. Cpl. G. D. Tomlinson, who was a farmer before enlisting six years ago, has been overseas for five years. A member of the Royal Canadian Ordnance Corps, he has been a mechanic in England. Coming home with Cpl. Tomlinson are his English wife, the former Norma Kersley, whom he married three years ago, and his 15-month-old son, David John.

MUSIC SOCIETY NAMES EXECUTIVE MONDAY

The Newmarket Music Society held its first official meeting at the council chambers on Monday with the election of its officers. J. O. Little was elected honorary president. W. R. Stephens consented to act as temporary president until a new one was selected. Other officers are: vice-president, Mrs. J. A. Koffend; sec., Mrs. J. R. Eakins; treas., K. G. Flett; executive committee, H. B. Fowler, Isha Goodman, H. A. Jackson, Miss Ferguson, Charles Boyd, Mrs. L. S. Little. About 24 were present.

Stouffville Does It Twice To Retire Jrs. From Series

By GEORGE HASKETT
Before one of the largest crowds to witness baseball in North York in several seasons, Newmarket juniors, winners of the North York championship, passed out of the O.B.A. play-downs at the Aurora town park on Saturday afternoon. The Stouffville Lions, slugged out a 13-8 victory over our kids to advance into the second round of the O.B.A. play-offs against Bowmanville. The Redmen outthit the Stouffville squad, 13 hits against 12, but failed to connect in the pinches and left nine of their mates stranded on the base paths. Tommy Dales ran into a stormy passage in the opening innings and again in the fifth as the Stouffville nine showed plenty of power at the plate to chip in with four runs in each session. Ivan Gibson took over to stop the rally in the fifth but went out in the sixth as Stouffville upped their count with three runs. The Redmen had their big innings in the fifth, scoring four times, and in the seventh, the locals had another big opportunity to go into the lead as L. Doolittle and Motts Thoms both poked out safeties and Ken Broughton got a walk to populate the sacks with two away but Bill Johnston closed out the innings with an infield drive. Once again, as in the Wednesday game at Stouffville, it was Catcher Ken Schell who paced the hitting attack for Coach Smith's Lions. Schell came through with a triple and two singles. In the fifth, with the sacks loaded, his triple drove in three runs and sent Tommy Dales into the discard. In the seventh Schell singled with two mates aboard and both crossed the plate. Gar Doolittle led the Newmarket hitmen with four safe blows, and caught a good game after relieving his brother, Loring. Grant Blight, who played a bang up game at the initial sack, had two hits to his credit, a double and a single. Third sacker John McTavish came through with a timely single in the fifth with three team-mates on the bases to score three runs. Ken Broughton, who went in to relieve Lefty Gibson on the mound in the sixth, had the right dope on Pitcher Fred Schepelman, getting three walks in as many appearances at the plate. Summary: Stouffville, 13 runs, 12 hits, 1 error, 5 left on bases; Newmarket, 8 runs, 13 hits, 5 errors, 9 left on bases. Umpires: Dyer and Huntley (Toronto). Newmarket: G. Doolittle, T. Dales, I. Gibson, K. Broughton, G. Blight, Red Palmer, J. Rutledge, J. McTavish, L. Doolittle, K. Thoms, W. Johnston, D. Brown, H. Hill, L. Cotton. Once again the Newmarket junior club annexed the North York Lions league championship. Over the season the club played 27 games, coming out on top in 19 of them. At one stage, they had eliminated Stouffville from the O.B.A. play-downs and advanced into the second round against Bowmanville only to have the O.B.A. order the second game replayed at Stouffville.

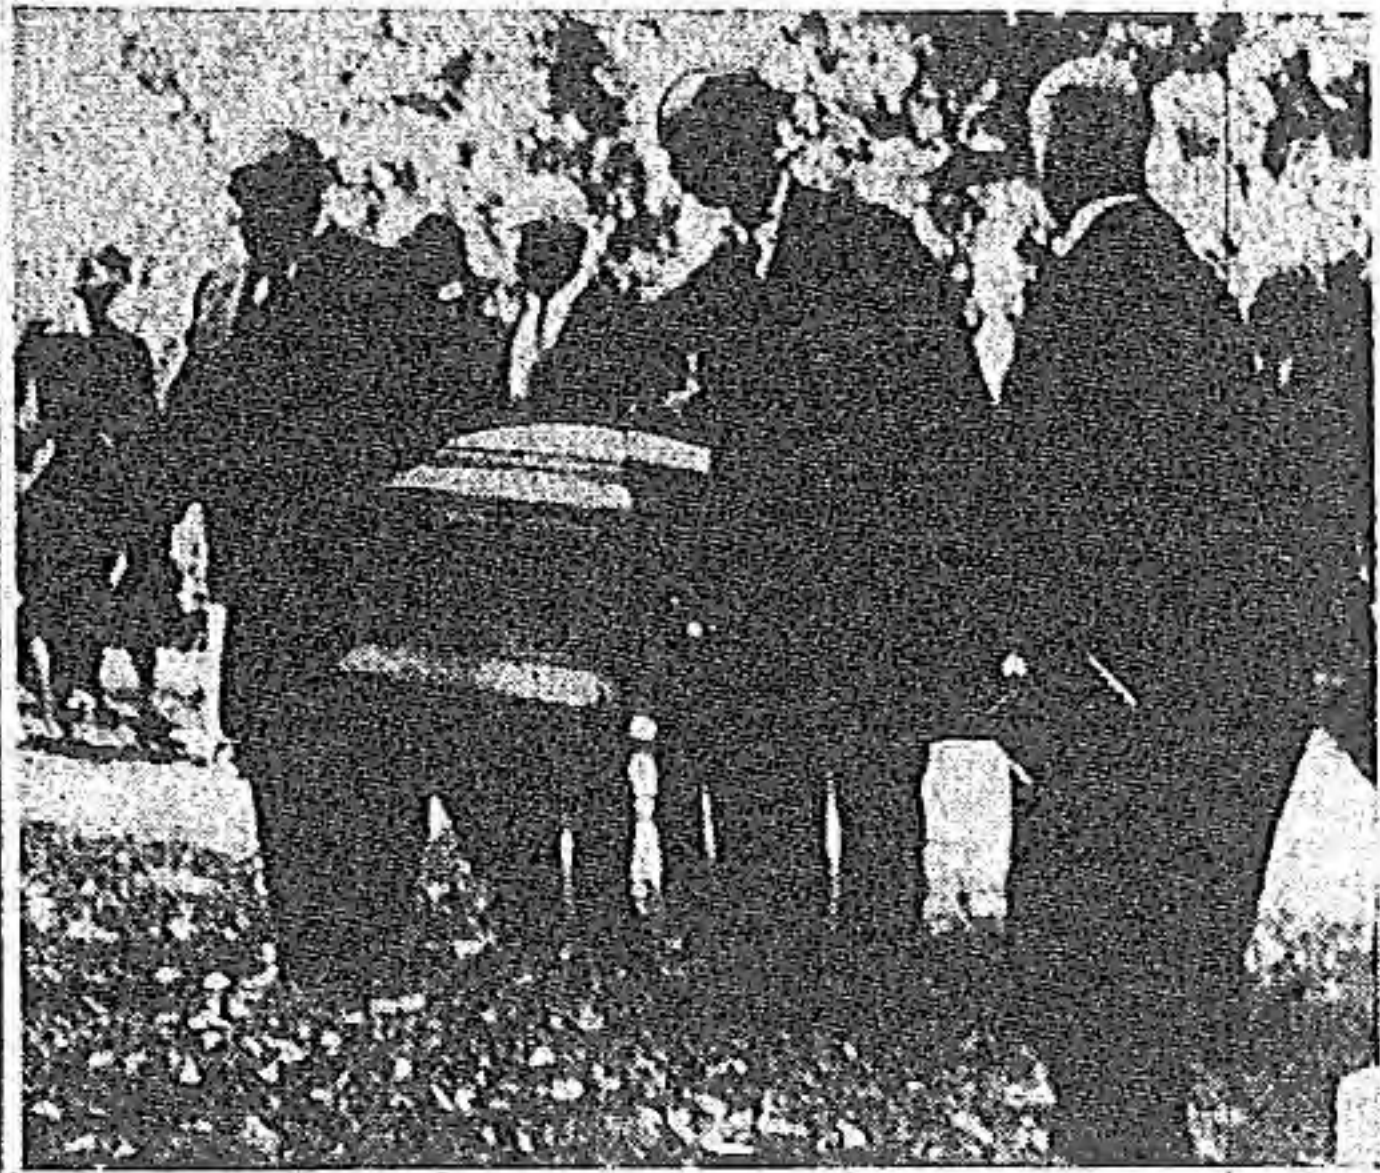

SALVAGE CAMPAIGN RESUMED ON OCT. 5

The Newmarket Boy Scouts and Cubs are resuming their salvage campaigns on Saturday, Oct. 5, when the boys will canvass the west side of Newmarket and on the following Saturday, the east side of town. "There is still a considerable need for waste paper, old magazines, and cardboard boxes," said H. J. Luck, chairman of the salvage committee. On Saturday, Oct. 12, the Newmarket Scouts and Cubs will join in the dominion-wide apple day when apples will be sold to raise funds for Scout activities.

AWARD MEMBERSHIP CERTIFICATES TO SIX

Membership certificates were awarded to six members of the Newmarket Lions club Monday night at St. Paul's parish hall. Recipients of the certificates were R. E. Hilliard, Harold Tite, Fred L. Hall, Kenneth Ponting, Charles Griffiths and Austin Brammer. The meeting, which crowded the downstairs room of the hall, was informal with the program presented by members. A sextet of T. B. Scott, W. M. Cockburn, John West, Clare Blossdale, Alex. Eves and Charles Griffiths, sang Home on the Range with more volume than harmony. Mr. Eves made a short address, making himself clear on several issues ranging from why the fish weren't biting at Lake Simcoe to the need of a swimming pool. The club voted in favor of forming a committee of representatives of interested organizations in Newmarket, and five members of the club, to discuss the possibilities of providing a swimming pool in Newmarket.

Peter William Pearson Buried In Newmarket

At two p.m. Thursday, Sept. 19, the funeral services for one of Newmarket's greatest benefactors began. He was Peter William Pearson, ex-mayor of Newmarket, ex-warden of York county, ex-M.L.A. for North York. He died Sept. 16 in his 84th year. The service was held in the chapel of Roadhouse and Rose. Rev. Henry Cotton, Trinity United church, conducted the service. He read the 23rd Psalm, and then, at the request of Mr. Pearson's family, the 121st Psalm. At the conclusion of the readings, Mr. Cotton introduced Rev. Dr. A. P. Addison, who was minister of Trinity United church from 1915 to 1919, to lead those present in prayer and to pay tribute to Mr. Pearson. Dr. Addison recalled the tenderness of heart, the love of truth, the fairness, the tenderness toward his family, the many services of all kinds, the justness, helpfulness, and deep wisdom, which he said characterized Mr. Pearson. "He was able to hide his own sorrows while sympathizing with others," the speaker continued. "He was at the height of his power when I knew him. One of his major characteristics was a clear, logical mind that was able to reach quick, reliable conclusions. Few men have the extraordinary sense that he had. He was trusted in all things, both of a business and personal nature. He was always so wise and so gentle. "He loved and served the church. He was very exact, and was especially trusted by the church in matters of finance. He was in every sense of the word a true man, a gentleman, a Christian man," he concluded. Mr. Cotton described his own relationship with Mr. Pearson, saying that he regretted that it had not been his privilege to know Mr. Pearson better. He praised Mr. Pearson's friendliness, cordiality, warmth, wisdom, and gentleness. "I consider it to have been one of life's greatest privileges to have had a few passing moments of fellowship with him," he said. Pallbearers were Aubrey Davis, Joseph Vale, Dr. S. J. Boyd, Charles Willis, Fred Chandler, and P. W. Hunter. Interment was at Newmarket cemetery.

Drill Hall Rented For Onion Storage For Winter Months

The Newmarket town council Monday night voted to rent the drill hall at the former military camp to Dick Rupke, Kettleby, for storage of onions from October 15 to February 15. Rent for that period is \$250 a month. Only the hall will be rented with the rifle range at the north end of the hall remaining in the hands of the town.

Last week, the Newmarket council heard a proposal to rent the hall to a construction firm for use as a repair and storage depot for road-making machinery. Rent offered by the firm was \$150 a month, not \$250 as reported last week. Decision on the first proposal was adjourned one week following some discussion. The objection that the building would be damaged was offered by some councillors.

Mr. Rupke appeared before the council Monday night and assured members that no damage would result from use of the building for onion storage. "We would drive a truck into the building but that wouldn't hurt the floor," he said. "The storage space is needed by the marsh growers. The plant at Bradford is mainly for celery and is crowded now."

Mr. Rupke said that they would require the use of one furnace. The gasoline storage hut at the Newmarket military camp has been sold to Basil Watson for \$300. The building, along with others at the camp, was sold by the Newmarket town council by tenders. Veterans were given preference. Other buildings sold were: the garage, International Wood Products, \$1,010; coal storage building, I. Heacock, \$380; oil stores building, O. Lloyd, \$55.

SET CLOCKS BACK

Newmarket citizens will set their clocks back an hour Sunday as the town returns to standard time. Official changing hour is 2 a.m.

Newmarket Ladies Trounce Schomberg In Two Games

By ORVILLE GANTON
Playing Tuesday night at Schomberg, Newmarket girls defeated Schomberg 8-3 in a return match. Newmarket girls continued to mop up the district by drubbing Schomberg of the Beeton-Alliston league in a post-season exhibition here Thursday by a score of 15-6. Schomberg girls jumped into an early two-run lead and looked as though they might make it a ball game. However, our maidens lashed out in the third and fourth to pile up nine runs and dampen the visitors' enthusiasm. Loose work by Schomberg's infield, which became panicky with runners on bases, contributed most of its down fall. Three times third baseman Bernice Adair stood holding the ball like a pound of shortening with open and shut double plays beckoning. Lois Manning and Marg. Vanzant supplied the batting "oomph" while "Squirt" McInnes and Phil Osborne chased around the bases like bachelors in a chain store. Lois Blight and P. Osborne turned in some snappy fielding to register ten assists between them. For Schomberg, first baseman Irene Davis was outstanding. She fielded her position faultlessly, had a homer, triple and double at bat and scored half her side's runs. Except for two bad innings, Schomberg looked like a fair ball club. It is a young, hard-hitting team which will no doubt be heard from on some future date. Mickey Smith officiated.

ACTIVE IN CHURCH, MRS. W. H. EVES DIES

Bertha Ann Eves, the wife of W. H. Eves, died at York County hospital September 18 following an illness of three years. Born in Bradford, she was the daughter of Mr. and Mrs. Samuel Lukes. She married October 6, 1910. A member of the Christian church, Mrs. Eves' chief interest was her church activities. She was active in the Red Cross and was well known for her interest in welfare work. During her illness, Mrs. Eves knitted many socks and gloves for the Red Cross. Rev. Arthur Greer conducted the funeral service at her home, September 21. Interment was in Newmarket cemetery. Pallbearers were H. E. Lambert, W. A. Spears, K. M. R. Stiver, W. C. Brown, Laury Cane and Earl Waddell. The house was filled with flowers, testifying to the high esteem in which she was held by her many friends. Surviving besides her husband are one daughter, Rae, two brothers, Gilbert Lukes, Bradford, and Oscar Lukes, Toronto, and one sister, Kearn Lukes, Toronto.

Vets Take First Of Series For J. L. Spillette Trophy

By ORVILLE GANTON
The long awaited Yonge St. league play-offs for the Joe Spillette cup finally got underway at the Stuart Scott school Tuesday in a donnybrook which could be best described as "operation protest." A small crowd was thrilled with a double-headed affair—a fast, well-played ball game and a long, poorly conducted argument. The veterans, with well sharpened spikes bristling in the sunlight and the added incentive of playing under protest, took the first game by an 8-3 count. Hits by Gibney and Moshier with Mickey Smith's ringing double accounted for three runs to put our warriors over the first trench. In the second, Harvey Gibney, with blood in his eye, almost took the fender off a brand new priority job in centre field with a home run that sent Vanzant scampering home for runs four and five. In the third, Fred Evans laid down a perfect bunt and then scored on Doug May's well placed hit. Another home run by Stan Evans and hits by Vanzant and Dobbie produced the last two runs. "Iceman" Bill Vanzant cooled off nine Hillers (that's an i, except for Scott, who hammered editor) via the strike-out route. Over two home runs, he was never in trouble. Bennett did not pitch as well as on his last appearance here. Maybe all the excitement was too much for the old maestro's blood pressure. Newmarket goes to the Hill Thursday with the third game here Friday at 6:15 p.m. Quips from the battle dept.: Ceegears McDonald, "I wish my lads had been playing under protest with New Toronto." Umpire Ab. Hulse, "One consolation, when they're jumping the league officers they're not jumping us." Irate lady fan, "Maybe the poor boys 'ayn't 'ad their supper." Stan Evans, "Who me?" Toddy Moshier, "Sounds like the Paris peace conference." Waterboy Stoggy Hodgins, "I'm hoping it finishes in a good fight."

RECALLING FORMER YEARS

Charles H. Haight, Sherbourne St., Toronto, former resident of Newmarket, talks over old times with Mrs. James Sutherland, 22, of Prospect Ave.

Founder Of Simpson's Store Kin Of Mrs. J. Sutherland

A bit of history has been uncovered in Newmarket by Charles Haight, a former resident of this district who left Newmarket in 1922 and is now living on Sherbourne St. in Toronto. He met Mrs. James Sutherland, 22, Prospect Ave., and while talking over old times learned of a connection between Mrs. Sutherland and the late Robert Simpson, founder of Simpson's store in Toronto. Mr. Simpson was a cousin of Mrs. Sutherland and had been raised by Mrs. Sutherland's mother in Inverness, Scotland. Mr. Simpson was also in business in Newmarket at one time as a partner of Moses Bogart.

H.S. ASSN. BEGINS WINTER ACTIVITIES

The Newmarket Home and School Association opened its fall activities Tuesday evening with a party for members and teachers in the parish hall of St. Paul's Anglican church. Over 100 parents and teachers crowded the hall and joined in the contests and later progressive whist. Sixty new members were reported enrolled during the evening. Classes in smoking, knitting and leatherwork have been arranged and plans are being made for instruction in other forms of hobby work. Mrs. Ted Mitchell, box 673, Newmarket, is convening the class. Winners Tuesday night were: hat contest, Mrs. Fred Dennis and Wm. Epworth; bag contest, Mrs. Langton and John Meyer; court whist, ladies' high, Mrs. Ken Russell; men's high, Bob Henderson.

TWIN SON DIES

Paul Edward Raymond, one-month-old son of Mr. and Mrs. James Raymond, Newmarket, died in York county hospital Wednesday. He is survived by his twin brother, Phillip, another brother, James, and two sisters, Rose Mary and June Cecile. Interment will be in St. John's cemetery.

More Local Amateurs Are Sought For Institute Show

Members of the Newmarket branch of the Women's Institute have expressed pleasure at the response to their fair and amateur show project which takes place in the town hall, Thursday and Friday, Oct. 3 and 4. Advanced indications are encouraging, members say, with the children's education tour idea meeting with town-wide approval. The advanced sale of rush seats for the evening shows is also reported favorable. Mrs. Kate Mather, occupational therapy teacher of the Winnipeg Psychopathic hospital, who is visiting in Newmarket, has offered to give a display of handicrafts at the fair. Her work will not be for sale but will be an educational exhibit to encourage original ideas in Canadian handicrafts. Entries are pouring in from far and wide for the amateur show on the two evenings, Orville Ganton reports. More amateurs from this district to compete for the special prize are needed. On one evening there will be a presentation of Canadian quadrilles by selected sets while the modern jitterbug will swing and sway in a hot jam session the second evening.

Wm. George Rosamond Dies At Home Sept. 21

Born in Bradford September 15, 1876, William George Rosamond, 44 Botsford St., died at his home September 21 following an illness of four days. He was the son of the late Mary Kirby and the late John Rosamond. On January 24, 1912, he married Bessie Evans, who survives him. Mr. Rosamond homesteaded near North Battleford, Sask., for several years, but at the time of his death, he had retired after a total of 40 years as a carpenter. Rev. J. A. Smith, St. Andrew's Presbyterian church, conducted the funeral service at the family home September 24. Interment was in Newmarket cemetery. Pallbearers were Wm. J. Geer, Earle Kirby, a cousin, George M. Byers, David Riddell, Robert McCabe and Thomas Blizzard. Surviving besides his widow are one son, George, Toronto, and one daughter, Mrs. Ralph Evans (Mary), Maple Lodge, Pefferlaw. One son, John, died in infancy in Denholm, Sask. Three sisters predeceased him.

NO EXCUSE FOR FARM STRIKE

Members of the Alberta Farmers' Union were on strike last week in an attempt to force government recognition of their demands for increased return for farm products. No matter what virtue their demands may possess, the action of the Alberta and some Saskatchewan farmers is to be roundly condemned.

The strike represents an attempt, by the use of coercive methods, of one part of the population to impose their demands upon a government representing all of the population. Such a strike is a dangerous precedent. If the use of strike methods is adopted by all groups of citizens having a disagreement with government policy, Canada would very shortly resemble an anarchy.

An indication of the kind of thinking which might eventually produce just that situation in Canada is the headline over the strike story as it appeared in the C.C.F. News. The headline reads: "Farmers forced to strike by King bungling". The assumption is that not having received a favorable reply to their demands for improved farm income, the farmers had no other recourse than to strike.

The substitution of strike methods for reasoned arguments is not, nor ever can be, the right course of action for unsatisfied groups of citizens. To accept coercion as a means to an end is to reject the very principles of democracy. There is no comparison here between the strike of workmen against their employer, recognized by law, and the strike of farmer against government.

The former is a private dispute; the latter is a public dispute for by striking against the government, the farmer is striking against all citizens. Nor does the fact that a bungling labor policy by the federal government has let Canada be tied in the throes of industrial turmoil excuse a strike by farmers as well. A second wrong is not going to correct the first.

GOOD BUSINESS

Barrie has set an example which Newmarket will find worth considering. Last week, it held a "Farmers' Day" when the farmers of the district about Barrie were the guests of honor of that municipality. An afternoon and evening program of sports and dancing provided the entertainment for the hundreds of farmers and their families who answered the written invitations of the Barrie Chamber of Commerce.

Mr. L. J. Stiver, secretary of the Barrie Chamber of Commerce, summed up the purpose of the Farmers' Day, the first in Ontario, with these words: "We want the people who live on the farmers around Barrie to feel they are a part of Barrie and vice versa. The town couldn't exist without the farmers who are the backbone of the community."

Newmarket is the business centre for a large number of farm families. Saturday night is a big night in Newmarket because of it. With equal force, the words "the town couldn't exist without the farmers" apply to Newmarket. Yet Newmarket has been tardy in recognizing its obligations to the farmers. It has only been in the past year, for example, that a rest-room has been provided for visitors. The market, nominally under the supervision of the Newmarket town council, is a disgrace.

Newmarket businessmen show a very great awareness of the business value of farm customers when municipal measures which might have a discouraging effect on farm business are discussed. Regulating Main St. parking is one such measure. Plans to limit parking on Main St. to a half-hour, or to one side of Main St. only are invariably laid aside for fear of their effect on the farm business.

This sort of concern with a section of the community is negative. While nothing is done to discourage farm trade, little or nothing is done to encourage it. A Newmarket Farmers' Day would go far towards encouraging the intercourse between town and farm which must continue if Newmarket is to support its growth.

But more than a Farmers' Day is needed if Newmarket is to strengthen its friendship with the surrounding district. Newmarket must first recognize the responsibilities it has in improving its services to the farmers in the community in the form of improved market facilities, traffic control and in the hundred and one other ways which make the difference between a friendly town and "just another town."

MONEY NEEDED TO PROVIDE SERVICE

At its last meeting, the Newmarket board of health passed a resolution asking the Newmarket town council to take under consideration the construction of a sewage disposal plant. At a meeting of the council last week, the resolution was referred to the finance committee.

Commenting on the resolution, Mayor Dr. L. W. Dales, who had moved the resolution at the board of health meeting, said in effect that the sewage disposal plant must be built sooner or later, and urged an early start on the project.

The board of health resolution highlights the need for extended community services. Even the most conservative of estimates places Newmarket's population at 6,000 within the next two or three years. Plans must be made now to accommodate this growth or else it will become a handicap and not an asset.

Under the chairmanship of Frank Bowser, the roads and bridges committee has undertaken a sewer program which will extend this service south on Prospect and along Andrew St. But this is only a beginning. Roads and sidewalks must be improved and extended. The bridge on Queen St. must be repaired or replaced. A new well must be sunk, and last week, council discussed a plan for making use of Widdifield park for a parking lot. These are only a few of the problems facing the council. There are many others yet to be recognized. In whatever category they fall, they have this in common: they all require money to be successfully solved.

Two years ago, the tax rate in Newmarket was severely cut. Last year, it rose to 37 mills. Next year, it must be increased again if the Newmarket town council is going to be able to do an efficient job of providing the citizens with adequate municipal services. There is no use dodging this fact.

Let us for once lay aside our concern with lowering tax rates and reducing of debenture debts, and recognize the need of debentures and high tax rates if Newmarket is going to be serviced as a town of its size and importance should be. No municipal council can function without money. There is no point to complaining that the council won't do this, or won't do that if the citizens are not willing to provide it with the necessary finances. Let us have done with such complaining and instead, urge the municipal council to extend its budget to include payment for the services so vital to a well managed community.

In Passing

From the looks of things, Newmarket is going to have an active winter. The dramatic group is planning a first production early in October with six more monthly performances on the schedule. A music group has been organized and this week elected its executive. The Women's Institute fair opens next week. Public dances and parties are on the increase and to top it all, plans are being made to assemble a committee this winter to consider the construction of a swimming pool.

Newmarket town council Monday night passed a resolution, moved by Councillor Joseph Vale and seconded by Councillor G. M. Byers, to give consideration to the employment of a graduate civil engineer by the town. It is a step in the right direction. Newmarket is a growing municipality and its problems will increase.

The need of expert advice was, in fact, demonstrated at that meeting of the council when members of council were called upon to make a decision involving technical knowledge which none of them, by their own admission, possessed. Newmarket has in the past retained a consultant engineer but the time has come for the constant guidance of a trained expert.

Worth considering, too, is the suggestion of Reeve Arthur D. Evans that Newmarket share the cost of a trained man with Aurora and the adjoining townships. Certainly, the co-operation that is necessary among neighboring municipalities in public services would be encouraged in this way.

The citizens will welcome the decision of the Newmarket town council to rent the drill hall at the former military camp during the winter months to a market gardener and not to a construction firm. Despite assurances to the contrary, it was inevitable that a construction firm, using the drill hall as a repair and storage centre for road making machinery, would inflict irreparable damage to the concrete floor. Used as a storage for marsh produce, there can be little damage to the hall.

Mr. Albert Lindenbaum has part of his new cleaning establishment on Davis Dr. built. Mr. Lindenbaum bought two army huts from the military camp and is placing them on cement foundations for part of his plant. On Queen St., steel posts are being put into position for erection at the Hoffman plant, and the walls are being built on the heating unit. Mr. Bill Koeschel has undertaken the remodeling of the building at the corner of Main and Timothy Sts., making room for three more stores on the Timothy St. side of the building. This building activity, difficult as it is in these days of shortages, all adds up to a growing municipality.

Young Hopefuls

By DOROTHY MUIR BOWMAN

Send your questions to Mrs. Dorothy Bowman, P.O. box 144, Experience Is A Great Teacher

Kenny, age three and a half, just missed being hit by a car on Main St. the other day. Quick thinking on the part of the driver in applying his brakes prevented an accident.

Kenny's mother had taken him with her, as usual, on a trip down town. On this particular trip, Kenny left his mother while

she was transacting some business at the bank. He couldn't have been gone more than a few seconds, but in that time he had darted out of the bank and across the street.

The screeching of brakes, his mother's excitement and all the commotion really made an impression on Kenny. The next time he went down town with his mother, he stood on the curb, told his mother they had better look out for cars and proceeded to do just that, looking several times in each direction before he was ready to cross the street. He had learned a very valuable lesson.

Even though Kenny had been told over and over again about the danger in crossing streets, it took a very frightening experience to teach him to be careful.

In the instance of Billy, age

six, his father, after repeatedly warning his son about playing on the street, conceived the idea of pretending he was a car. It was hard for Billy to remember not to play on the street when the other children in the neighborhood played there. However, father only had to be a car twice and a bus once to convince Billy that being knocked down by a car or bus would hurt a great deal.

Young Gracie, four years old, was impressed with the danger of the street when the neighbor's little dog was hit by a car. The little dog limped after that accident and was afraid of cars after that.

Children need constant protection and reminders of the dangers of streets until they show evidence of practising caution themselves and using judgment

THE COMMON SENSE

INSTITUTES FIND THE ANSWER

Women's Institutes stand for many things—for homemaking, for education, recreation, social and child welfare—in short, for bringing out the best in every woman. Helping where help is needed has always been a woman's privilege and of late years, how nobly they have lived up to their reputation. Let their work for stricken Europe, and beyond Europe, speak!

And for all these purposes women need money, lots of money, and they take many and various means to obtain it.

One interesting way—because it gives pleasure to so many—is being taken each year by the Newmarket's Women's Institute. This year, on Thursday and Friday, Oct. 3 and 4, they are staging their annual fair. This is not only a fair in the generally accepted meaning of the term, it is far more, for there will be a speaker, Joseph McCulley. We know that what he has to talk about will be worth while, for Mr. McCulley is a student of world as well as domestic affairs.

Then there will be music, which is always a highlight. Mrs. J. E. Cane is in charge of this part of the program and Mrs. Cane's talent in this direction is too well known to leave any doubt as to the enjoyment of this part of the program.

I see that the Veterans are helping with the night's performance—the amateur show—and this, as a bringer-out of talent and a real source of entertainment, is always popular.

So, of course we shall go and buy and drink a cup of tea, listen to music or be entertained by our amateurs and above all—help the Women's Institute to help others. This, I suppose, is the basis for all fine living.

Our Bogartown branch was invited to visit the Pine Orchard branch on Wednesday, Sept. 18, at the home of Mrs. Edson Johnston and there we heard, learned and inwardly digested many things.

It was a splendid time to get together, for not only was Miss Lewis, our Ontario superintendent, speaking, but another matter, common to both branches, was brought up, discussed and settled. This was the plan, tentatively approved at the D.A., that for the Institute's 50th anniversary each member of every branch should contribute \$1 toward endowing a scholarship in Home Economics and building a suitable housing place at Stoney Creek for various relics sacred to Institutes.

This \$1 tax has turned out to

be something of a bone of contention—some Institutes repudiating it and others in something of a dilemma. It was threshed out, pro and con, on Wednesday and a decision arrived at, satisfactory at least, to our two branches.

We are each giving 50 cents, for both Institutes are packing boxes for overseas—our branch packed six last week, and we are having a bazaar on October 15 to help finance further aid of this sort where it is most needed.

Mrs. Baxter gave a splendid talk on Home Economics—its origin, its growth and its aims. We owe so much to it and its rise from obscurity to worldwide significance is spectacular.

Then Miss Lewis took the floor. In front of her was a table on which was displayed some very old and some very lovely pieces of glass and china.

Miss Lewis spoke of her pleasure in being with us and then began to speak of glass—its odd and accidental beginning in the dim and misty past, in Egypt when fire falling on sand produced the first crude sample.

She told of the glass blowers of Venice—of their virtual imprisonment on the Island of Murano—this for fear they would let their secret become known. She showed us some Venetian glass and told us how to recognize the hand-blown.

We saw ruby glass with its exquisite color enriched with gold; cranberry glass and other lovely kinds. We saw early American glass and heard of its inception and its recognizable points.

China, too, came into its own—pottery semi-porcelain and porcelain with specimens to illustrate.

Altogether, we almost had mental indigestion, trying to retain as much as possible of a splendid talk. Miss Lewis has a charming personality, a ready flow of language and a knowledge of her subject which makes it as profitable as pleasant to hear her. We hope to hear her often in the future.

Another departure from our usual meeting, schedule was the taking of group photographs by The Era and Express photographer. As I always look like something the cat has brought in in a picture and am invariably shoved to the front as I am small, I do not yearn to see myself, but I shall be glad of the group for it's pleasant to keep a happy memory in this form.

I see that many Institutes are taking up fall work again and as I see their activities I shall report them at length. Success to you all, you workers for the W.I.!

50 YEARS AGO

From The Era and Express files, Sept. 25, 1896.

Mr. John Manning has returned after a delightful visit in the city.

Nearly three weeks ago, Mrs. Asa Phillips of Yonge St. badly sprained her foot by stepping off the cellar stairs before she reached the bottom, being deceived by the dim light. Last week Miss Phillips sprained her foot on the hall stair on account of something being placed on the step which she was not aware of. Both are improving and able to go without crutches this week.

Thirty men, a steam engine and a horse are working at the new railway bridge this week and the work is progressing very favorably.

Work on the new electric light station is progressing favorably and if fair weather continues, the masons will finish the brick-work by Saturday night, no less than ten bricklayers and help being employed.

Last week set the biggest record ever known for Newmarket depot. No less than 140 cars of freight were received and about 20 cars were shipped away.

Messrs. J. B. Cowleson and Hy. Boag went to the London fair with their horses and had wonderful success in the roadster class. Mr. Cowleson won

first prize and diploma for the best mare of any age, while Mr. Boag won a first, second and third.

Miss Clara Brerton and Mrs. Hollingshead of Schomberg are visiting Mrs. Silas Armitage, Yonge St.

In clearing up some papers in the post office this week, Mr. Bastedo came across an old piece of green paper which illustrates how the post office department carried on business 50 years ago. The paper was used as a wrapper for a money letter in care of Moses Knight, East Gwillimbury, Home District, and was directed to the postmaster at Newmarket. The letter was posted at St. George, N.B., Aug. 26, 1847, arrived in Quebec Sept. 1, and reached Newmarket Sept. 6, 1847. The receiver had to pay 30 cents. A registered letter posted in Quebec this morning would arrive in Newmarket tomorrow night and would cost the sender eight cents. This shows what a half a century has done in Canada in this line.

Miss Foster returned from Penatong on Wednesday where she had spent five weeks with Mrs. J. E. Cane.

THE EQUINOX

By GOLDEN GLOW

Last Monday, Sept. 23, was the autumnal equinox and we seem to be getting equinoctial storms all over the world. Look at England, what a time they had over the weekend and before. In fact, it began long before the equinoctial storms hit them for it seems to have rained steadily from Aug. 1.

On Sept. 20, the papers told of fresh storms battering the coastal resorts in every section of England as the worst summer weather in memory played havoc with the harvesting.

In Yorkshire serious floods resulted and rivers were overflowing, carrying everything before them.

When we read of such things, and typhoons, and hurricanes in other parts of the world, we begin to think we are indeed fortunate here. And yet we complain about our wintry weather and the frost. We know it was not as severe as all that—we still have a bountiful harvest.

And now we say "Oh yes, we knew there would be a decided change in the weather" when last week—right in the midst of a gorgeous week of sunshine—the Northern Lights were seen. Yes, they usually mean colder with storms or a decided change of some sort.

Then there are the sun spots. They certainly are playing havoc with our radio. But cheer up, we still have Indian summer—it comes later in the fall after our first snow, and somebody, according to Andy Clark in his last Sunday's broadcast, predicts we are to have our first snow late in October.

TO THE EDITOR

The Editor, The Era and Express: The need for fire protection in our town, Mount Albert, is urgent. There are a few shallow wells in the business part of the town and only three wells on the hill to serve 21 houses. The situation in the lower part of town is equally serious.

The town fathers should be sufficiently interested in this matter to call a meeting of the ratepayers and try and arrange for some means of fire protection.

A Citizen.

Mount Albert, Sept. 23, 1946.

SHARON

The October meeting of the Sharon Institute will be held at the home of Mrs. Fred Glover on October 2 at 2:30 p.m. The roll-call will be "Preparation of diet for sick". Current events will be discussed by Mrs. E. Haines. There will be a paper on Social Welfare by Mrs. R. J. Rogers and Mrs. N. Crone. Refreshment committee will be Mrs. E. Fry, Mrs. E. Kiteley and Mrs. F. Ramsey.

York Farmers See Potato, Pasture Demonstrations

Over 50 farmers and seedsmen, Sharon. Pasture plots were located on all these farms except the latter, who, along with Messrs. Wallwork, had potato plots on which an extra application of potash showed excellent results. The demonstration mixtures for pasture seeding aroused a great deal of attention, having stood up so well through the dry weather.

Lunch was enjoyed at Perry Ash's picnic grounds overlooking Lake Wilcox where short addresses were made by Frank Martin, Keswick, president of the York County Crop Improvement Association; Chas. Hooper, Gormley, chairman, County Agricultural Committee, and Capt. S. C. Snively.

DOWN THE CENTRE

By AB. HULSE

One more river to cross, and perhaps by the time you read this, Schomberg softballers will be over the Rubicon or looking wistfully after Princeton, safe on the other side.

Last week the two clubs met in two hectic matches. Up at Princeton, Schomberg squeezed out a 9-8 win and on the basis of their showing looked certain winners for the Mitchell Hepburn trophy. On Saturday at Beeton, the Oxford County boys struck fast, establishing a 5-0 lead, and although Schomberg tied the count, the visitors went on to win 10-8. That left everything even-Stephen and after a lengthy pow-wow it was agreed to play the rubber game back at Beeton.

On their return home, Princeton had a change of heart and advised Schomberg they wouldn't come to Beeton on Tuesday of this week and would await a report from the league executive. There the matter rested at the weekend. There was a crowd of over 1,000 at Beeton on Saturday, and they were disappointed, but still confident their favorites could win.

Both teams secured 11 hits, off pitchers Ellison and Beaton, but errors provided the winning margin. Schomberg used the Beeton diamond because the hometown field was being readied for Schomberg fair. The Beeton stadium is a credit to a small community and one of the best for miles around.

Next year a new diamond will be made at the south end of the fair grounds and the labor has already started. Bleachers and dressing rooms are hoped for.

There were eight groups in the rural intermediate A series this year, revived since being dormant from 1940. Princeton had put away Dutton and New Dundee before meeting Schomberg. Hastings turned the full fury of their power on Thornhill in the second game of their series at Thornhill last week and when it was all over the score board read 16-4 for the visitors. The Thornhill team accorded Teddy Bennett wretched support and as you have seen, when the team blows behind him, the veteran Bennett doesn't believe in killing himself in a lost cause.

Finally, the series for the Joe Spillette trophy can get underway, and about time too, sez "Ceegars" McDonald. It's a best of five series and by this time, if the weather has been good, the third game will be coming up in Newmarket Friday night. The fourth game will be at Thornhill, and if a fifth is necessary it will be played at Aurora.

We'll be in the midst of it along with Somers, Willowdale. We look for the Vets to take the series if they aren't too badly out of practice. It'll be no pushover, however, and if Thornhill once gets rolling they'll be hard to take.

Aurora softballers can take a bow for a great finish under difficulties. The boys played in and out ball all season but have been really turning it on from mid-August. Any kind of a break at Thornhill would have taken the round. On Friday, minus Wilt White, they lost out on bad breaks. The team has lost a lot of playing strength over

the year and they performed better towards the end than even their leading supporters thought they would. Their average over the year was around .600, which isn't bad. Next year many of the present players will be gone and Ace Yake already is discussing plans for 1947.

If the weather holds out, the winner of the Newmarket vs. Thornhill series might consider taking on either Schomberg or Mount Albert to really settle arguments as to the "best in North York".

There's no joy in Mudville! No sirree, it was pretty gloomy around "the hub" on Saturday night, as George Haskett and his Newmarket juniors found themselves relegated to the sidelines by a Stouffville, or pardon us, Markham-Milliken aggregation who just wouldn't be denied and on two days last week proved themselves the better team.

Actually the pitching seemed the real difference. Orval Rows, Milliken, and "Speedy" Schipman, Markham, were better all the way than Tom Dales, "Lefty" Gibson and "Bugs" Broughton.

The Newmarket batters last Saturday just couldn't hit the ball on the ground, with the result the Stouffville outfielders shagged everything coming their way with comparative ease. Stouffville, we presume, now meets Bowmanville and will start from scratch in that series, something Newmarket couldn't have done.

Was it publicity or did Taylor Spink, editor of the St. Louis Sporting News, have to be called into consultation regarding the dispute filed by Stouffville? The rule book and past decisions are quite adequate on the point and from the start Stouffville had good grounds to go on. We venture to suggest, however, that if there had never been a protest filed on the eligibility of Tom Forgie, Stouffville would never have retaliated.

Throwing out Forgie pulled the Stouffville team together and at the end a real club spirit with fan backing was available.

The series with Bowmanville should be fairly even with Delhi, from the tobacco belt, providing the next opposition. The rival set of fans hadn't anything much but eyes for their own team and the players hadn't much regard for each other either.

It was unfortunate "Pee-Wee" Rutledge should choose Saturday for his worst performance of the year and the catching on both sides left a lot to be desired. The throwing was especially poor. It was catcher Ken Schell, Stouffville, however, whose triple with the bags full really broke up the game. Personally, we missed the boat badly and somebody has already reminded us of a remark about eating a hat.

George Haskett, maestro of the Newmarket team, can take a bow for his work this year. The job of keeping his boys together from May until now hasn't been an easy one, and the loss of such boys as Tommy McHale, Winger and Bill Hopper didn't help either. The two Doolittle boys from Aurora were valuable assets and Mickey Sutton might have helped too, along with Don Little, Richmond Hill, Ron Simmons and Mac Clement of the Aurora midgelets who would have been handy.

There's always another year and the hot-stove league will probably be replaying the past season for some months to come. "It's our year in 1947" will probably be George's slogan.

Toronto Lizzies and Hamilton Westsides are the finalists in the midgelet series, with Lizzies favored to win. The series should be a dandy.

Box-football looms on the horizon and we see Newmarket already has a league organized. The game had quite a following in Aurora a few years back and we believe it was the first time it was played in the district. Not too appealing as a spectator sport, it certainly provides the contestants with lots of rugged exercise.

There's no indication as yet that a league will go here, but from Woodbridge via Bert Young, secretary of the Woodbridge Legion branch, comes word of the sport catching on down south. Bert advises that already Maple, Humber Summit, Nortonville and Woodbridge have entered a league and they would like some outside competition from the north included. Aurora and Richmond Hill are both suggested as possibilities. Anyone in the district interested might contact this corner or write to Mr. Young at the Royal Bank, Woodbridge. The idea is to get the league fully organized and underway as soon as possible.

The Newmarket group under Mickey Smith, being pretty well self-contained, would probably not be interested except for play-offs between the groups. Come on you soccer enthusiasts!

There's no telling what these lacrosse experts will come up with. After the sour note that ended the Woodbridge vs. Combines series over Bill Cox and Bill Norton and a ruling handed down by the O.L.A., the boys went into a huddle last week and came up with a new formula to decide the issue.

Maple and Combines, as originally should have been the case, have been sent into a new semi-final round with the winner meeting Woodbridge for the Smith trophy. Maple and Com-

binas started their series at Aurora on Monday night. The winner of these two will have the right to choose one player from the losing club to add to their team to play against Woodbridge, while Woodbridge will be allowed to play Cox and Norton throughout.

The decision, while probably welcome to the fans and productive of some fine sporting events in a season when outside activities are on the wane, hasn't so much logic to it, but it's entirely in keeping with the decisions being handed down in lacrosse circles for years. It falls in line, too, with the multifarious protests, scanning of rule books, appeals, reprieves and executive indecision and uncertainty that has characterized baseball and softball in the district all season and probably every other branch of sport too.

Well, we don't think anyone will kick very much. The gutted stick artists have always provided two bits worth of amusement every time out and the present series can't be changed (it says here). Bring on the warriors!

Midget lacrosse finds Maple having a one-game lead on Combines with Aurora and Richmond Hill kids scheduled to meet in the other bracket. The Hill eliminated Woodbridge midgelets in a sudden-death fixture. Aurora and Maple are favored to be finalists but anything can happen. The youngsters haven't received much support all year and now's the time for the fans to give them encouragement.

If Mickey Smith can get a team together, the winners will probably be glad to go over to Canatown to put on a game for the folks.

Inglewood, conquerors of North York (Woodbridge), have eliminated Huntsville, whom the fans saw in action here. It was a close, hectic series and the Peel County boys, with Bill Norton on their line-up, will now meet Fergus in the O.L.A. finals.

out to be Taylor's understudy. Nobleton will not have their rink for this winter. The boys have all the money, the site and part of the materials, but they can't get the essentials and so will have to wait until 1947. They won't be alone.
Schomberg, with this in mind, is taking its time on the rink situation there, although the funds are pretty well assured. Bradford, Bolton and Aurora arenas will be used if possible by the Schomberg boys who will cut a wide swath in hockey this winter.
Hugh Mair reported to Tulsa on Monday and the Newmarket boy will only have to go through the motions to hold his own. Billy Wilson was expected to join the team too, his leg injury of last season having completely cleared up, although there was rumor he would remain around to play senior amateur hockey. Could be, too.
Harry Dick, who played briefly for Aurora R.C.O.C. in 1943 and was at Newmarket camp the same year but was allowed to get away in a trade with Army Daggers, is being counted upon to make a place on the roster of Chicago Black Hawks.
Johnny Callanan is due to try another whirl with Kansas City this month and hopes to stick this time. Red Mitchell of Richmond Hill Combines of 1944, who was with Kansas City last winter, will again be with the Chicago farm team.
Rumor right now has a new junior C group formed in the district with Bradford, Newmarket, Aurora and possibly Richmond Hill, Stouffville or Sutton included as a fifth team. Stouffville is the only team at present who can really lay claim to that classification and coach Ike Harper, with most of his team back, has not been idle and he's got a couple of "mystery" players up his sleeve who should bring Stouffville at least a group title.
What Markham will do seems to be a big question for the Stouffville team to answer. Will they go back to C and so claim some of the players? Our guess is that you will find Markham concentrating on intermediate

Rats That Help the Farmer

Painless examination of this and hundreds of other white rats disclose whether animal feeding oils and fortified whole milk powder contain as much Vitamin A as advertised. Here, a technician in the Vitamin Assay laboratory of the Division of Chemistry, Science Service, Dominion Department of Agriculture, prepares to weigh a rat to see if it is gaining on a diet supposed to be rich in Vitamin A. Farmers' organizations and feed manufacturers welcome this testing of animal feeds.

hockey with Stouffville having the right of way in the junior field.
How good are the kids around these parts who have been playing juvenile and midget the past couple of years? Well there's a few good enough for junior C in each town, others will come along, but, to be frank, in our opinion there weren't very many ready to play any better hockey than they were playing last year. If we were running things, and we're not, we'd plug for a good, strong juvenile group for this year.
I know the boys want to play junior in many cases, but actually the calibre is not so far behind and another year's experience in lower company is needed. It is when you move out of the group that you really find out what class of hockey you are up against in junior C.
Financially, the group games in junior games until the playoffs wouldn't pay a bit more than would juvenile. It takes a few years to build up a following for a hockey team and going through the stages rather than a sudden jump is the way to achieve this. Don't forget too, that the fans are going for the so-called "bush league" hockey, which may well be raised to intermediate O.H.A. or O.R.H.A. classification. We pass this along, only as our own idea, but we'd be glad to hear from the players and fans.
By the way, we forgot to mention that Billy Mundell, the Aurora lad who has been one of the main players for Richmond Hill, will be out seeking a place on the Marlborough junior A team and this season he should make the grade. Mundell, a tireless worker, needs better coaching than he's been getting and he's smart enough to learn yet too.
Richmond Hill will definitely break its long minor hockey tie-up with the T.H.L. this season and concentrate and participate in the district minor leagues.
Ice facilities this season at all arenas promise to be taxed to the utmost and already Richmond Hill arena has called for requests to be made to council for those who want to use the ice. It's been hard to accommodate all in other years and this year it'll be worse.
Thanksgiving Day takes on an old familiar appearance and provides a fine day's sports menu as Aurora Cycling club stage their ten-mile road race. Riders within a 15-mile radius of Aurora are eligible to compete, and Jack Offord and George Spence are busy lining up the details.
Sam Jarvis is accepting entries for the Farmers and Hunters races at Beverley Farms the same afternoon. Carded will be the famous Prince of Wales cross-country and steeple-chase and several other events which will see some of Canada's leading amateur equestrians and their mounts in action. Complimentary tickets and a prize list are available for free by writing Mr. Jarvis at Aurora.
Flash! Since we wrote the above, Billy Taylor is no longer a member of the Leafs. "Billy the Kid" has been traded to Detroit for Harry Watson. Watson, so far as we are concerned and that goes for most of the fans, is a comparative unknown. It was supposed to be for defensive strength, and there's no gainsaying the fact, as Newmarket fans can testify, that Taylor is not fond of back-checking. The real story has not been told and probably won't be by the Toronto press.
Major Con Smythe and Taylor haven't seen eye to eye for some time, and you can guess one of the reasons from war years. Suffice to say on the face of it, Detroit has the best of the deal. Remember Flash Hollett, and the Doc. Rommes-Bill Thoms deal? We'll soon know if "Trader Smythe" is up to his usual form.
Flash! Flash! Thornhill failed to show for the first game at Newmarket on Monday. It was raining cats and dogs down south, but the canaltown diamond was in good shape at game time. Thornhill failed to telephone, to add to the confusion. It's a tough spot for league president Doug May. Will the game count as a win for the vets? If it does, it'll be the first argument George Kelson has lost all year.

MOUNT ALBERT SUNDAY SCHOLARS TAKE RALLY SERVICE

Mrs. J. Slorach and Mrs. Ed. Watts have been spending a week with relatives in Niagara Falls, N.Y.
Members of the W.A. of the United church of Hartman were guests of Mount Albert W.A. on Wednesday evening. Thirty-six ladies were present. The visitors provided a nice program, after which a pleasant social hour was enjoyed.
Mr. and Mrs. Howard Robertson have been sent to Oba, in the Sudbury district, where Mr. Robertson will be station agent on the C.N.R.
The Sunday-school rally service was held at the United church on Sunday morning with a large congregation in attendance. Mr. E. Wagg, superintendent, was in charge. The scholars from the Sunday-school were in the choir and several musical numbers were given. A baptismal service was held when the following parents brought their babies to be baptized: Mr. and Mrs. Lorne Pegg, Mr. and Mrs. Mel. Oldham, Mr. and Mrs. Bruce Harrison and Mr. and Mrs. Max Harrison. Rev. Burgess gave a short address on crusaders, reminding all of their obligations as church members. The church was decorated with ferns and gladioli for the occasion.

PINE ORCHARD

The meeting of the W.I., held at the home of Mrs. Edson Johnston on Wednesday, Sept. 18, was largely attended. The members of Bogartown branch were guests of the Pine Orchard branch. Both branches had their photos taken during the afternoon by Lawrence Racine of The Era and Express staff. The program was in the charge of the Home Economics committee.
The main event of the meeting was the address by Miss Anna Lewis on "Old China and Glass." Miss Lewis gave an interesting account of the different designs of china and glass and illustrated her remarks by exhibits of beautiful antique china and glass.
Mrs. A. Baxter gave a paper on "What Is Home Economics?" and also gave a demonstration of home-made jewelry. Miss Betty Hope played an accordion selection. Mrs. Emerson Shepard was in the charge of the program. Roll-call was answered by "My favorite china pattern."
Lunch is to be served by Pine Orchard W.I. at the auction sale of M. McCallum on Saturday, Sept. 28.
At the close of the meeting, lunch was served and a social time thoroughly enjoyed by all.
Miss Irene Harper, Albany, N.Y., was a recent guest of her mother, Mrs. Jas. Harper, Mr. and Mrs. Leslie Harper and Mr. and Mrs. R. Chapman.
Miss Jean Johnston, Toronto, spent the weekend with Mr. and Mrs. Robert Johnston.
The Willing Workers will hold a pot-luck dinner at the home of Mrs. Edson Johnston on Wednesday, Oct. 2.
Mr. and Mrs. Frank Boag, Toronto, spent Tuesday with Mrs. Boag's brother, Mr. W. J. McCallum, and Mrs. McCallum.
Mrs. Ida Degan, Toronto, and her brother, Mr. Freeman Gilroy, Newmarket, Mr. Clarence May, Mr. and Mrs. Roger Hill and daughter, and Mrs. John Reid, all of Toronto, were recent visitors of Mr. and Mrs. Russell Allen and Miss Alea Widdifield.
Mr. and Mrs. R. Chapman spent last Sunday with relatives in Stouffville.

and Woodbridge for the North York lacrosse finals, the way it would have been if the spurious second series had never been inaugurated. Woodbridge expects to pull into Aurora for its home games. If so they'll pack the joint and rightly so for the two teams are evenly matched.
George Haskett has a new recruit for Newmarket Ladies' softball club of 1946. It's time for cigars and congratulations.

MOUNT ALBERT Community Welcomes Mrs. Leonard Brown

A welcome party was held in the Community hall Friday for the only English bride to come to this community, Mrs. Leonard Brown. She recently arrived from her home in England to join her husband who had arrived some weeks ago.
The party, in which everyone joined, was sponsored by Roy Stewart's class of which Leonard had been a member.
While the party assembled, they were treated to the music of the orchestra, after which the guests of honor arrived and were escorted to their seats by Chas. Scott and Jack Pearson.
Mrs. Don. Stiver sang Because. After Mr. Stewart had welcomed them, he introduced Mr. Norman Dean of Toronto as master of ceremonies, who was assisted by other guest artists including Mrs. Harrigan, soloist. Maud Reid, impersonator, and Cecil Irwin, who was a marvellous pianist and who had only his left hand to play with.
After this program, Mr. and Mrs. Brown were brought to the platform, welcomed by representatives of several local organizations and then all present were asked to meet the young couple. Later lunch was served.
A long table was filled with shower gifts for their new home for which they said a sincere "thank you." The best wishes of all present went to these two young people, and we trust one English bride will long remember her Canadian reception.

ANSNORVELD

Rev. J. VanderMeer, accompanied by Mr. S. Winter, attended the classical meeting in Grand Rapids, Mich.
Mr. and Mrs. J. Hall, Hamilton, visited the home of Mr. and Mrs. M. VanDyken.
Mr. and Mrs. W. Turkstra and Miss N. Turkstra, Hamilton, visited the home of Mr. and Mrs. S. Fisher where Mr. Turkstra's father is still ill in bed.
Mr. and Mrs. Alfred Armitage, Toronto, and Miss Nellie Hanna, London, were recent guests of Mr. and Mrs. Ross Armitage.
Rev. Mr. Morton, Stouffville, was in charge of the Union church service on Sunday, Sept. 22.
The farmers have been busy cutting corn and sowing fall wheat.

Canada's No.1 Citizen
shapes his future...

these five ways...
Canada's future is in the hands of her people... That future is threatened by the menace of inflation... Canada's bulwark against this menace is the steadfast performance of her No. 1 citizens.
Here is the No. 1 citizen's five-point programme of personal finances:

- 1 Hold on to my Victory Bonds and Certificates.
- 2 Buy only those goods which are in fair supply and save my money for the day when goods now in short supply will be readily available.
- 3 Avoid black market purchases.
- 4 Keep up my insurance.
- 5 Build up my savings account.

These five points mean conservation—the first requisite for personal security—the first requisite for national security. When you shape your future on these five points, you shape the future of the nation.

In Greater Demand Than Ever
Today more people are using more telephones to make more calls than ever before.
More People—You'd hardly think it possible—in view of post-war shortages—but our greatest increase in any whole year before the war was 63,000 new customers while in the first eight months of 1946 we added 90,000.
More Telephones—Before the war we served 780,000 telephones. Now there are 1,140,000.
More Calls—The number of local calls has increased proportionately but Long Distance calls have gone up 300%.
Telephone Operators are doing a wonderful job with this new flood of calls, keeping standards high and delays to a minimum. But, to put every call through as fast as we—and you—would wish, we must have new lines and switchboards. Our huge service extension program had to wait until war orders were finished. Now it is being rushed through as fast as the material situation will permit.

Need Many Tickets To Reach Halifax Gibney Discovers

By DELBERT GIBNEY

Having been one of the 300 delegates to attend the 27th annual Canadian Weekly Newspaper Association convention at the Nova Scotia Hotel, Halifax, I will try to give you my experiences as an individual travelling for the first time by train.

One week before convention time the editor suggested it would be pleasant for my wife, Doris, and yours truly to attend the convention. Knowing that the trip and experience for both of us would be interesting and educational, we accepted the invitation.

It gave us only a little time to make necessary arrangements. Tickets had to be secured for berths, hotel reservations and what not. By train time, I felt as if I had been to Halifax and back. When I had received all necessary tickets a large portfolio was necessary to keep them all intact and save me the expense of a Philadelphia lawyer to look after them. I had 18 different tickets for Doris and myself.

We arrived at Union Station, Toronto, at 10.45 p.m. and by 11.15 were on board ready for the first lap of the 1,400-mile journey. While waiting for the train to start, we met many weekly newspaper men on the platform. At 11.40, five minutes before leaving, it was suggested that I meet C. V. Charters, managing director of the C.W.N.A. Being amateur travellers, it was thought he would act as our godfather and keep us on the right path throughout our journey. While in his coach, the station master gave the first call of "all aboard". It startled me, as I remembered I was 12 coaches away from home. I thought by walking through the train I would reach my destination, but luckily I changed my mind and jumped to the platform and ran back to the right coach. I had just reached our coach when the cars I had been in began to move while our coach remained. Then I realized that the train had been split into two sections one coach ahead of ours.

At 12.20 a.m. we felt the train begin to move and we knew we were on our way. We had a neat

little compartment and felt sure of a good night's sleep. But travel by train was a novelty and sleep was far away. Lying in our swaying berths in the darkness, it was nearly 4.30 a.m. before we slept. Before we knew it, the porter was calling "three quarters of an hour, Montreal". It was then 6.30 a.m.—what an hour to be getting up and so far away from home.

We arrived in Montreal spic and span and ready for breakfast, getting off the train at 7.15 a.m. and bound for the Windsor Hotel. Oh yes, before leaving the train, the porter saw to it that the luggage was ready and our clothes well brushed.

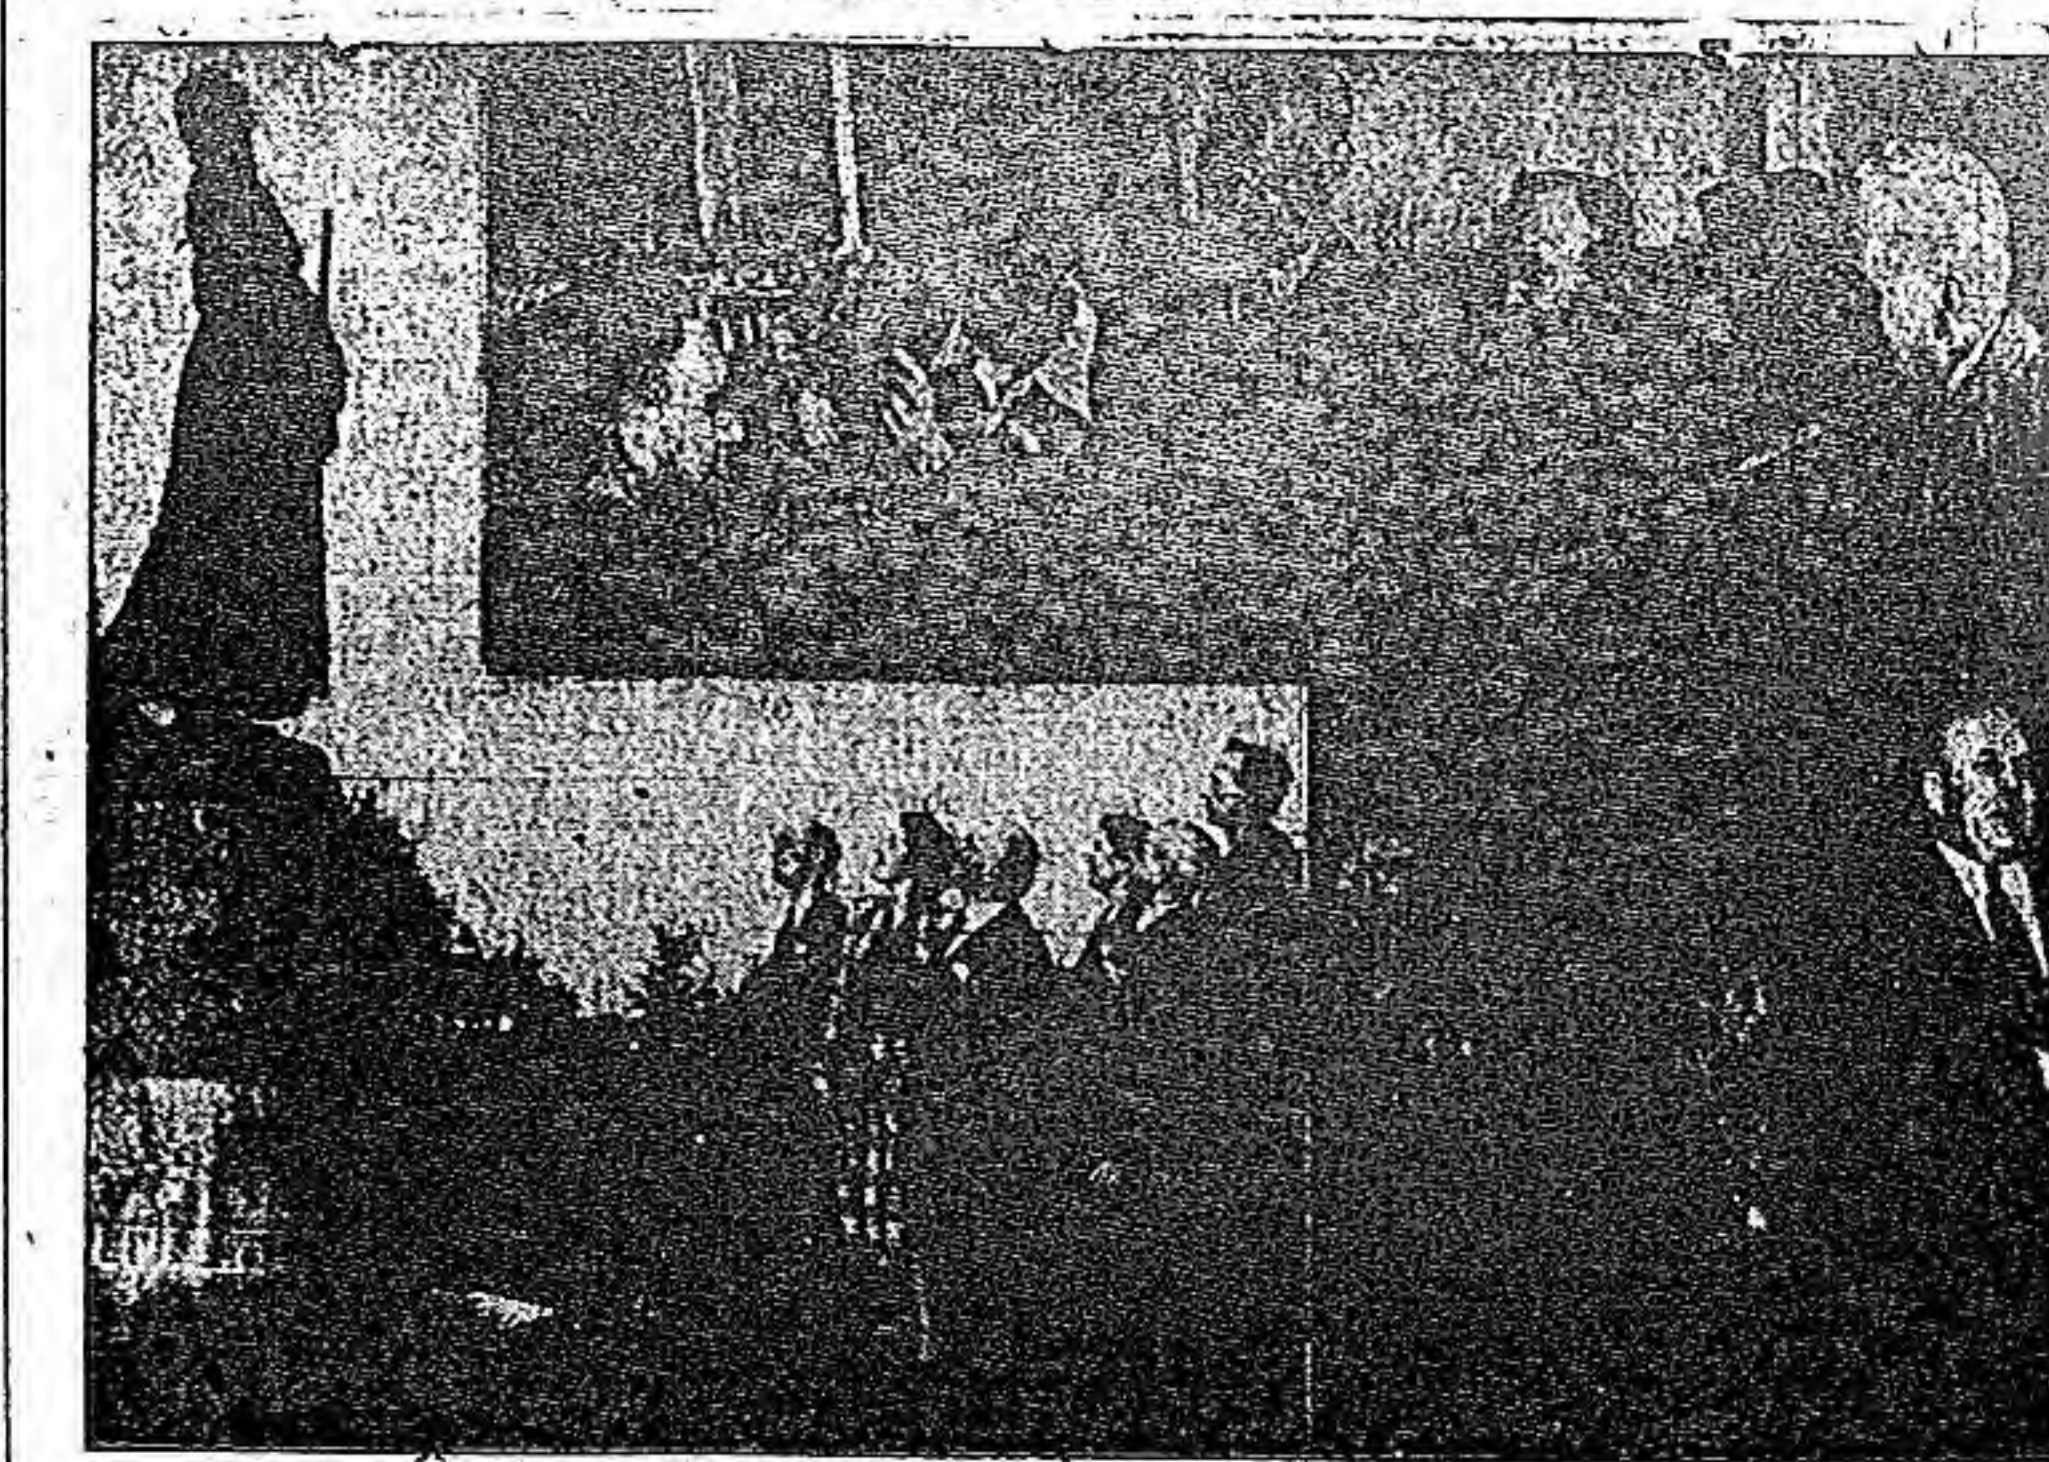

At 2.30 p.m. the entire press party boarded a special C.P.R. train for St. John. This was also an overnight journey but both of us slept like little kittens, arriving at St. John at 5.30 a.m., 4.30 a.m. Newmarket time. What an outrageous hour, we thought, and almost missed getting off the train. The porter rang the buzzer and asked if our luggage was ready with St. John's 20 minutes away. One can dress in a hurry if time is short. Four bus coaches were waiting at the station to take us to the Mount Royal for breakfast and then to the boat. By 7.30 a.m. we were all aboard the Princess Helena for the crossing of the Bay of Fundy.

We left the port in rain and fog and were unable to see anything of St. John. Every minute the ship's fog horn blew the warning signal. Princess Helena is a luxurious boat with state-rooms on upper and lower decks and all the conveniences of home. We had not been long at sea when things began to happen. The waves were beginning to make the ship roll and toss. It was said that this particular crossing was the roughest voyage across the bay for a long time. I guess it was so to make us inlanders feel and see what it is like on the high seas.

Two hours at sea and you could tell that many of the press

delegates were not in as jovial a mood as they had been in St. John. I began to think I was a good sailor but a half-hour before reaching Digby, I had the same feeling creep over me. That was one time my better half had the laugh on me.

We arrived at Digby at 11.30 a.m. and it sure was a grand feeling to be on solid land once

Attending the first annual convention of the Canadian Weekly Newspaper Association held since the war, more than 200 members travelled from Montreal to Halifax by special Canadian Pacific Railway train, crossed the Bay of Fundy on the Canadian Pacific's Princess Helena and finished their eastward trip aboard a special Dominion Atlantic Railway train. The Helena's radar equipment was a point of interest to the delegates on the water voyage and in upper photo wireless operator C. F. McMillan explains operation. During a side visit to the Grand Pre Memorial Park a group of Ontario delegates (centre), were pictured before the world-famous statue of Evangeline. Delegates were welcomed to Evangeline Memorial Park by A. A. Dunphy, manager of the Dominion Atlantic Railway (lower photo). Mrs. Wyman Porter, mayor of Kentville, N.S., who also welcomed the delegates, is shown at the extreme left.

The special train to Halifax was a "million dollar train", the finest since the royal tour, with the latest type of equipment in sleeping cars. This consideration for their comfort was fully

again. A special train was waiting and within half an hour we were on the last lap of the journey to Halifax, travelling through Annapolis Valley, the land of apple orchards, one of Canada's most historical settings.

Our first stop was at Fort Anne. The entire party spent an hour there where the French explorers, De Monts and Champlain, landed in 1604. It also reminds one that there or thereabouts were sown the seeds of American civilization.

Our next stop was at Grand Pre, the land of Evangeline, and the setting of Longfellow's poem. Here the Acadians lived before the British troops dispersed them along the coast of North America.

We arrived at 8.30 p.m. in Halifax, the port that served as the western anchor of the defence of the North Atlantic. Nova Scotia newspaper men and Halifax journalists were on hand to meet the party and saw to it that taxis were ready to take the conventioners to their respective hotels.

Our room was at the Lord Nelson, overlooking the beautiful Halifax Gardens. Tired and ready for a good night's rest, we were soon in slumberland as a full three-day program was ahead.

During the three-day convention, we heard the retiring president of the C.W.N.A., Hugh Templin, Fergus News-Record, warn that Canada was being held back by strikes and advise that the weekly editor must have "the tongues of men and angels."

We also heard members of the Nova Scotia government including the premier, Hon. Angus L. Macdonald, who said that in his opinion, "the weekly press of Canada, small and large, is ably and creditably conducted."

Included in our convention program was a trip to sea on Canadian warships and a tour through Canada's aircraft carrier, H.M.C.S. Warrior. We were also present for two CBC broadcasts.

Saturday afternoon we did some sight seeing in Halifax, visiting many places of interest. By this time we had felt we had seen much more of the fair land we are proud to call our own and satisfied, were ready to leave on the 5.30 train bound for home, arriving at 8.45 p.m. the following day.

We had a prolonged stay in Montreal and found that the easterners were friendly and courteous. Railway officials and total strangers were always willing to give a helping hand when needed. But there is still no place like home sweet home.

ERA STANDS TENTH IN WEEKLY CONTEST

In the better newspaper competitions sponsored by the Canadian Weekly Newspapers Association, The Newmarket Era and Express stood tenth in a field of 47 weekly newspapers of a circulation of 2,000 or more. The papers were classed on the following points: local news, district news, editorials, advertising, typography, pictures and classified ads. The Era and Express score was 66.1 of a possible 100. The winner, Penticton Herald, B.C., had a total of 80.9. Vernon News, B.C., and the Brampton Conservator, Ont., were second and third with 79.0 and 76.7.

C.W.N.A. PRESIDENT

Major Walter Ashfield, president and publisher of the Grenfell, Sask., Sun, was elected president of the Canadian Weekly Newspapers Association at its annual convention. He succeeds Hugh Templin, editor of the Fergus, Ont., News-Record.

A native of England, Major Ashfield entered newspaper work at the age of 16 in Brandon, Man. During the First Great War he saw service in Europe with the 85th Nova Scotia Highlanders and upon his return he purchased the Grenfell Sun. Early in the Second Great War he entered active service as a major instructing in artillery schools for officers. He had been vice president of the C.W.N.A. since 1939 and was vice president of the Saskatchewan division of the same body in 1931. He holds membership with boards of many community organizations.

UNION STREET

The regular meeting of Union Street Women's Institute will be held on Thursday, Oct. 10, instead of on October 3, at 2 p.m. at the home of Mrs. Ralph Holborn. The motto will be "Think all you speak, but speak not all you think". The roll-call will be "My favorite radio program". The program committee is Mrs. Walter Rose, Mrs. Douglas Beckett and Mrs. Frank Graham and a guest speaker will be present. The refreshment committee: Mrs. E. Breen, Mrs. L. Mahoney and Mrs. B. Deavitt. They will serve tarts.

ELMHURST BEACH

The Elmhurst Beach Women's Institute will meet at the home of Mrs. T. Lowndes on Oct. 2 at 2.30 p.m. Topic will be Home Economics. Roll-call will be "My Pet Economy." There will be a demonstration and display of handicrafts and weaving. Refreshment committee is Mrs. J. Clark, Mrs. C. Hodgins and Mrs. Smither.

Guests at the home of Mr. and Mrs. Bert Chandler over the weekend were Mrs. R. H. Cowan, Windsor, and Mr. and Mrs. I. I. Werden and small son, Jimmie, Detroit, Mich.

A GOOD SAMARITAN

By DELBERT GIBNEY

Any person who might find travelling difficult and need a little information and extra service, will always find that at the central station in Montreal, the station master, P. T. Dunphy, is an obliging, courteous man, always willing to give a helping hand to anyone in distress.

We can only say that if there were more human beings like him in important positions, the world would be a finer place to live in. More power to him.

FETE HOCKEY PLAYER

Hugh "Scotty" Mair was honored Saturday night with a farewell party at the home of Mr. and Mrs. E. W. McDowell, 17 Webb Ave., Toronto. About 30 guests were present including Mrs. Mair, his mother, and some members of the family. Mr. Mair left Sunday for hockey training at Kingston with the best wishes of his friends.

Ashworth United Church Marks Diamond Jubilee

By REV. A. F. BAMFORD

On Sunday, Sept. 15, 1946, Ashworth United church celebrated the 60th anniversary of its building on the present site on the sixth line of Scott. Rev. A. J. G. Carscadden, who served the charge from 1907 to 1911, was the preacher for this occasion.

Mr. Carscadden preached to a packed church both morning and evening. The young men stood throughout the services in the vestibule. His sermons were uplifting and inspiring and made us feel "It is good to be here." The choir was made up in the morning of those who had served the church in this capacity in past years, and some of its members were creeping up in years. But they did excellent service and their numbers were enjoyed by all. In the evening our present-day choir gave us the music, and they were in their usual efficient style.

According to the researches of the Rev. Geo. Murray who prepared a history of the church on the occasion of its Golden Jubilee, Ashworth had its inception in 1852 on a piece of ground bought from Jos. Miller on the seventh line where the Foster Memorial cemetery is now situated. This cause was under the Bible Christian church and came into the union of 1884. Two years later, the churches on the seventh closed and the church on the sixth was opened for worship, probably because it was more central for the families. Mr. Carscadden was able to supply the names of the

ministers who had served the present church with the exception of one.

Mr. Carscadden is nearly totally blind and is at present preaching for the National Institute for the Blind, even though he has been retired from the active ministry for several years. It was inspiring to hear him recite a long chapter from the Epistle to the Romans; to think that in his old age and suffering under such a handicap he is doing so valiant and heroic a service.

Friday evening, Sept. 20, our celebration was continued by a concert given by the "boys" of the Fred Victor Mission, under the leadership of Rev. Wesley Hunnisett. These boys ranged from the age of 12 to 70, for their pianist confessed to the latter age. They were able musicians — violins, chello and piano-accordion. One young lad of 12 gave two splendid vocal solos, as also did an older man. Their music and singing had wonderful verve and inspiration. Mr. Hunnisett conducted his orchestra himself and undoubtedly imparted his own enthusiasm to the "boys."

Great credit is due to our very able and self-denying organist, Mrs. Alex. Noble, for training our choirs. She gave of her time without stint and the choirs responded and gave excellent services on the Sunday. Our anniversary was an inspiring time, and as a congregation, we take courage, give to Almighty God the glory, and go forward.

Combines Down For 8-6 Count To Maple In Rugged Contest

Combines bowed out of the intermediate lacrosse picture for 1946 as they went down to defeat before Maple Buds 8-6 in a rugged game at Aurora arena on Monday night. Maple had won the previous contest 9-6 at Maple on Saturday night.

Eliminated by Woodbridge, Combines gained life by executive ruling, the original plan of second and third place meeting being carried out, with Woodbridge going to the finals.

Maple came from behind to take the contest after the 'Bines had built up an early lead. The Maple team had too much conditioning and passing superiority for the Combines and took full advantage of a momentary lapse on the part of Bert Middlebrook's boys to coast home.

Stan Foster got the opening goal, only to have Harry Burton score two beauties in a row. Hugh Kerr beat Harry Rumble to add to the lead but Al McNair was allowed to roam down the right, boards and score as the game ended.

Cleve Burton got the lone goal of the second stanza to give Combines what looked like a commanding lead. Gordy Orr picked up a loose ball to lessen the lead as the third period opened and then Bill Mabery got his first goal of the season to maintain the pace for Combines. Bill Park and Gordy Ingram took full advantage of a wilting Combines team to knot the count with two fine efforts.

Lanky Eldon Fierheller put Maple in the lead two minutes after the fourth quarter started and Roy Thompson went for a beauty to put the shoe on the other foot. With Combines playing short handed, Ray Burton coasted in for a pretty counter and seconds, later with Gordy Smith out of his net on the offensive, Combines just failed to tie it. Thompson came back in the dying moments to beat Smith and put the game on ice.

The game was rough and saw the heaviest checking of the year with Referees Syd Prosser and Tubby Burrows, Brampton, having to call the boys into conference on several occasions.

Roy Thompson, Al McNair, Al Orr and Gordy Orr were the best for the winners and goalie Harry Rumble, after a poor start, finished in a blaze of glory. Harry Burton, Gordy Smith and Norm Alexander were the main trio for Combines. Jeff Elliott and Scotty Johnston couldn't get going and with this duo off form, the mail-carrying was left to the pony line. Cleve Burton was checked too closely to be very effective.

Maple now meets Woodbridge, the first game being in Maple on Friday night. A strong possibility exists that Woodbridge will make Aurora their home rink, at least coach Russell Rowntree has requested practice dates. The series should be a clinker and Maple, now coming strong, should prove troublesome to the Woodbridge smoothies.

AURORA STUDENTS RETURN TO COLLEGE

Bill Devins, Emmerson Jennings and Peter Hughes left this week to resume their second year of studies at Ontario Agricultural College, Guelph.

George King has returned to his studies at Queen's University, Kingston.

Vaughan Williams has started his second year at the Parsons School of Design, New York City. He is the only Canadian in the course.

John Crysedale, Mary Crichton, Bill Beacock, Douglas Clarke, Bill Doherty, Harold Moddle, Larry Maughan, Pat Sisman and Lily King all resumed their studies this week at the University of Toronto.

First year students just commencing their courses at Toronto are: Clayton Rose (medicine), Bruce Underhill (theology), and Constance Brodie (household economics).

URGES COMMON SENSE IN CARE OF ANIMALS

Col. R. S. Timmins, D.S.O., Aurora, supported the practice of vivisection at the recent meeting of the Ontario Society for the Prevention of Cruelty to Animals. Col. Timmins, an expert horseman and vice-president of the association, spoke on the subject What Is Cruelty? He pointed out that vivisection, as practised by the medical profession, was generally humane and the good that came from such experiments had a direct benefit to mankind which in turn benefitted animals.

Common sense and education regarding animals is the prime need today, he said. "Often well meaning, but misguided and uninformed people caused more harm than good to the work of the society.

Complaints about fox hunting were not well founded, he said. There is less cruelty in a fox hunt than in almost any abattoir, he added. Common sense was the answer to the problem in dealing with animals, he concluded.

Mrs. Chas. Bilbrough Hostess To Aurora W.I.

Aurora Women's Institute held its September meeting this afternoon at the home of Mrs. Chas. Bilbrough. Roll-call saw a fine variety of pickle recipes and samples.

Mrs. Thomas Dann, district commissioner of Girl Guides, was the guest speaker and told of the work of the organization. Mrs. Frank Smith gave a paper on current events. Guest musical artists were Ben Harrison and Mrs. James Emmons. Hostesses were Mrs. Al Mitchell and Mrs. Jas. Brooks.

MEET TONIGHT

A meeting of Canadian Legion zone representatives is being held in Aurora this evening at 8 p.m. Delegates from nine branches will elect a new zone commander as well as zone officers. A decision will be made by the delegates as to which district the newly created zone will affiliate with. The meeting is being held in the old town hall.

EXPECT V.O.N. SERVICES HERE BY OCTOBER

It is expected that the Victorian Order of Nursing will be established in Aurora by Oct. 1. The committee in charge has worked tirelessly to raise funds and complete arrangements. Miss Elizabeth Smellie, chief supervisor of the order, has announced that the services of Miss Marjorie MacIntosh of Fort William will be available for Aurora, and the local committee has approved. Miss MacIntosh is expected here daily.

A graduate of Port Arthur General hospital and a public health nursing course at the University of Toronto, with some general experience in other communities, Miss MacIntosh comes to Aurora with a fine reputation and the committee in charge is well pleased with the appointment.

Offices will be established in the old town hall in conjunction with the police officers, providing suitable office space and easy accessibility for townpeople. Arrangements have not yet been completed for securing a car for Miss MacIntosh, but the committee has this in hand, and temporary arrangements for transportation have been made to provide the best possible service.

There are now over 200 local memberships, and many more are expected once the V.O.N. organization gets underway. In addition there will be support from local industries and other community organizations. The town of Aurora will supply a grant of \$500 for this year and next year it is expected the municipal grant will be doubled. "We will be ready to serve the public on October 1," Mrs. L. C. Lee, chairman of the local committee, said. Mrs. Lee points out that a private telephone will be installed in the office but the number is not yet allocated. Those wishing to use the services of the V.O.N. nurse will either call direct or their physician may call her.

The nurse will pay one visit to a home without medical approval but after that the approval of the family physician for the continuance of visits must be obtained. "Miss Marian Ferguson, the regional supervisor, is coming to Aurora next week along with Miss MacIntosh," Mrs. Lee said. "We will get off to a good start and we hope the public will not be afraid to make use of this boon to the community."

TRINITY CENTENARY ATTENDED BY MANY

Large congregations were in attendance at Trinity Anglican church on Sunday as the centenary services commenced. On Friday, Sept. 27, the official date of the opening of the first church and the first formal service under Rev. George Street will be commemorated. At 10 a.m., the rector, Rev. R. K. Perdue, will be the celebrant at Holy Communion.

At 8 p.m. on that day, Archbishop Derwyn T. Owen of Toronto, Primate of All Canada, will be the special anniversary preacher and a reception will follow in the parish hall.

On Saturday, Sept. 28, there will be a tea and exhibit of historical importance in the parish hall, under the auspices of the ladies of the parish.

On Sunday, Sept. 29, at 11 a.m., Rev. E. W. G. Worrall of King and Rev. P. R. Soanes of Toronto will be in charge of the service, and at 7 p.m. Rev. G. O. Lightbourne, O.B.A., will be the preacher.

The historic booklet published to commemorate the event is attracting much favorable comment. The 28-page booklet is beautifully illustrated and is valued as a permanent memento by those who have been fortunate enough to secure a copy.

ATTEND SESSIONS

Rev. Roy F. Hicks, Rev. Herbert Warren and Rev. E. C. Moddle were among those from Aurora attending sessions of Toronto Centre Presbytery of the United church this week.

Dairy Truck Hits Hydro Pole, Wires Set Vehicle Afire

Power was cut off in Aurora for the second time this year as a result of a truck fire on Yonge St. south.

Returning with a three-quarter panel milk truck loaded with empty cans and boxes, William Summers, youthful driver for Cousins Dairy, was suddenly faced with the headlights of a southbound car coming towards him on his side of the road out of a bank of fog early Sunday morning, police said.

Summers missed the oncoming car but struck and snapped a hydro pole as his truck over-turned. Wires from the pole fell on the truck setting it afire. Summers and two small companions had escaped from the cab of the truck prior to the fire. Mr. Summers suffered a gash requiring eight stitches in his forehead. The other occupants were unhurt.

PLAN FIELD DAY

Fine weather prevailing tomorrow, Aurora public school field day will be held in the Aurora town park at 2 p.m. The public is invited to attend.

The Aurora Fire Brigade was called at 5:45 a.m. and rushed to the scene of the accident just below De La Salle College. The firemen succeeded in quelling the flames but only the engine and chassis remained of the truck.

The driver of the car which caused the accident proceeded on his way. Power was resumed locally around 9 a.m. after hydro employees from Richmond Hill had done a line repair job.

Life 100 Years Ago Shown In Trinity Church Display

*Scenes of a century ago will be vividly portrayed on Saturday by the ladies of Trinity Anglican church at a unique tea and open house to be held in the parish hall in connection with the centenary services.

A fine collection of antiques, curios and valuable museum pieces has been secured from among homes of the parishioners and the interior of the parish hall will depict a kitchen, dining-

room, living-room and bedroom of the 19th century. The ladies will dress in the costumes of the period.

All Aurora ladies are extended a cordial welcome to attend from 3:30 p.m. to 6 p.m. Convening the display and arrangements is a committee composed of Miss Anna Smith, Mrs. A. E. L. Maughan and Mrs. Thomas Dann. The Parochial Guild is catering for the event.

Midgets To Meet Hill In Boxla Semi-Final

Aurora and Richmond Hill midgets meet in the first game of their semi-finals series of the North York midget lacrosse circuit at Aurora arena at 8:30 p.m. on Monday, Sept. 30.

The third game, if necessary, will come back to Aurora. Both teams broke even over the regular schedule and the series promises to produce some of the best lacrosse of the season.

WITH THE CHURCHES

Earlsclourt Salvation Army band is coming to the Aurora Citadel on Sunday, Sept. 29.

The C.G.I.T. of Aurora United church held its opening fall meeting on Wednesday night.

Miss Hazel Connor and Bob Sweet, graduates of London Bible College, provided special music at the services at Aurora Gospel church on Sunday.

BAKERY HAS PARTY

Employees of Scanlon's Bakery from Toronto and Aurora enjoyed a weiner roast, sing-song and fall party on Monday evening at Richardson's farm. Around 80 attended.

ELIMINATE AURORA

Thornhill softballers eliminated Aurora from the North Yonge play-offs on Friday night as they took an 8-3 win. Thornhill was the better team on the night's play but its actual edge was small as the breaks failed to come Aurora's way.

ATTENDS C.C.L. MEET

Tom Swindle, secretary of Local 27 of the National Union of Shoe and Leather Workers, is attending the sessions of the Canadian Congress of Labor convention as a delegate. The sessions are being held at the Royal York hotel, Toronto.

BILL STARKEY HOME FROM HIGH SEAS

Home after six months on the high seas is 17-year-old Bill Starkey, son of Mr. and Mrs. Walter Starkey. Bill sailed from England to the Dutch West Indies and to the North Pacific, travelling over 15,000 miles.

Off the Dutch West Indies, a tanker he was aboard foundered in heavy seas and the crew was forced to take to the lifeboats about 20 miles off shore, but despite the wind and sea, were able to make dry land. The tanker was afterwards salvaged.

Bill had a narrow escape from another accident as a Norwegian tanker he was to join sank before he signed on in port. His present plans are uncertain, but he has no immediate intention of going back to the Merchant Marine.

JACKSON ACQUITTED

An assize court jury in Toronto, after a two and a half day trial, acquitted Alfred Harvey Jackson, R. 2, Newmarket, on a charge of rape, Friday, Sept. 20.

Jackson had been charged with the rape of a 17-year-old playground supervisor in the lavatory of Grace Street public school on Aug. 16. T. A. M. Hulse appeared for accused.

MEET OCTOBER 7

McDonald will be the speaker and the guests of honor will be the mothers of the new pupils. Mrs. Charles Copland has assumed the duties of program convenor.

MARK ANNIVERSARY
Mr. and Mrs. Robert Rank celebrated their 38th wedding anniversary on Sunday.

GETTING ACQUAINTED

By J. JAY WATSON

In our town of Newmarket we have many streets. To some of the newer residents most of the streets are unknown and unexpected ground; so to these comparatively recent residents opportunity is open for getting acquainted.

We read from the Bible times of the highways of thought and we acquaint ourselves with the meaning of these highways, to open up new avenues of knowledge and understanding.

Communities of the country are the outgrowth of small hamlets, some of these became towns, small cities and added growth makes large cities; some, because of advantageous locations and means of communication, attain metropolitan cities and, of course, a great metropolitan city extends its boundaries.

I think we can look upon the life of life as upon a growing community, for the book of life is in fullness of meaning and acquaintance.

From the towering mountain peaks of thought in Genesis, from the broad areas of its plains and valleys we come upon glowing avenues of creation. Worldly avenues of thought open from these mountains, plains and valleys of Genesis. And from these highways of thought we come to another called Exodus, from Leviticus and Numbers, Deuteronomy and on and on in the Old and New Testaments. It is material for a lifetime study. The horizons of knowledge to be gleaned from the pages of holy writ are ever broadening in riches beyond all comparison.

CARD OF THANKS

Your kind attention board wishes to express its sincere appreciation to Mr. J. B. Greig for his valuable assistance as organizer for the distribution of ration book No. 6. The board takes this opportunity of thanking the group of ladies under the direction of Mrs. R. Linton for the part taken by them at the Aurora Centre.

The services of those persons taking part in the rural district are equally important and we extend our thanks to them also. Local Ration Board, Aurora, Ontario.

Mr. and Mrs. D. Hare, Stouffville, spent Sunday with Mr. and Mrs. E. Teinkamp.

A large congregation in the United church last Sunday heard Miss Dorothy Eveleigh, soloist with the Evangelistic Centre on Gerrard St. E., Toronto. So great was the enthusiasm that following the service, a member of the committee arranging for the Masonic service to be held on Oct. 20, engaged Miss Eveleigh to return on that date and sing three selections. All who heard her last Sunday will look forward to her return visit on Oct. 20.

Because of the harvest thanksgiving services in the Anglican church and the special services at Snowball, there will be no service in Kettleby United church next Sunday.

Special thanksgiving services will be held in the United church on Sunday, Oct. 6, at 11 a.m. Mr. H. B. Balmes, a leading layman of the United church in Toronto, will speak. Mr. Balmes is a clear thinker, a forceful speaker, and will present an inspiring message. The choir will be in charge of the music, assisted by a soloist from Toronto.

At 7.30 p.m. the minister will speak. Special music will be supplied by the King's radio quintet of Toronto. This quintet is connected with the "Youth Movement for Christ." They sing nearly every Saturday evening in Massey Hall and frequently in Avenue Road church of which the Rev. Chas. B. Templeton is minister. This service will take the form of a sacred song service. There will be refreshments and a sing song at the close of the regular service.

The Ladies' Aid of the Baptist church has set November 9 as the date of the bazaar.

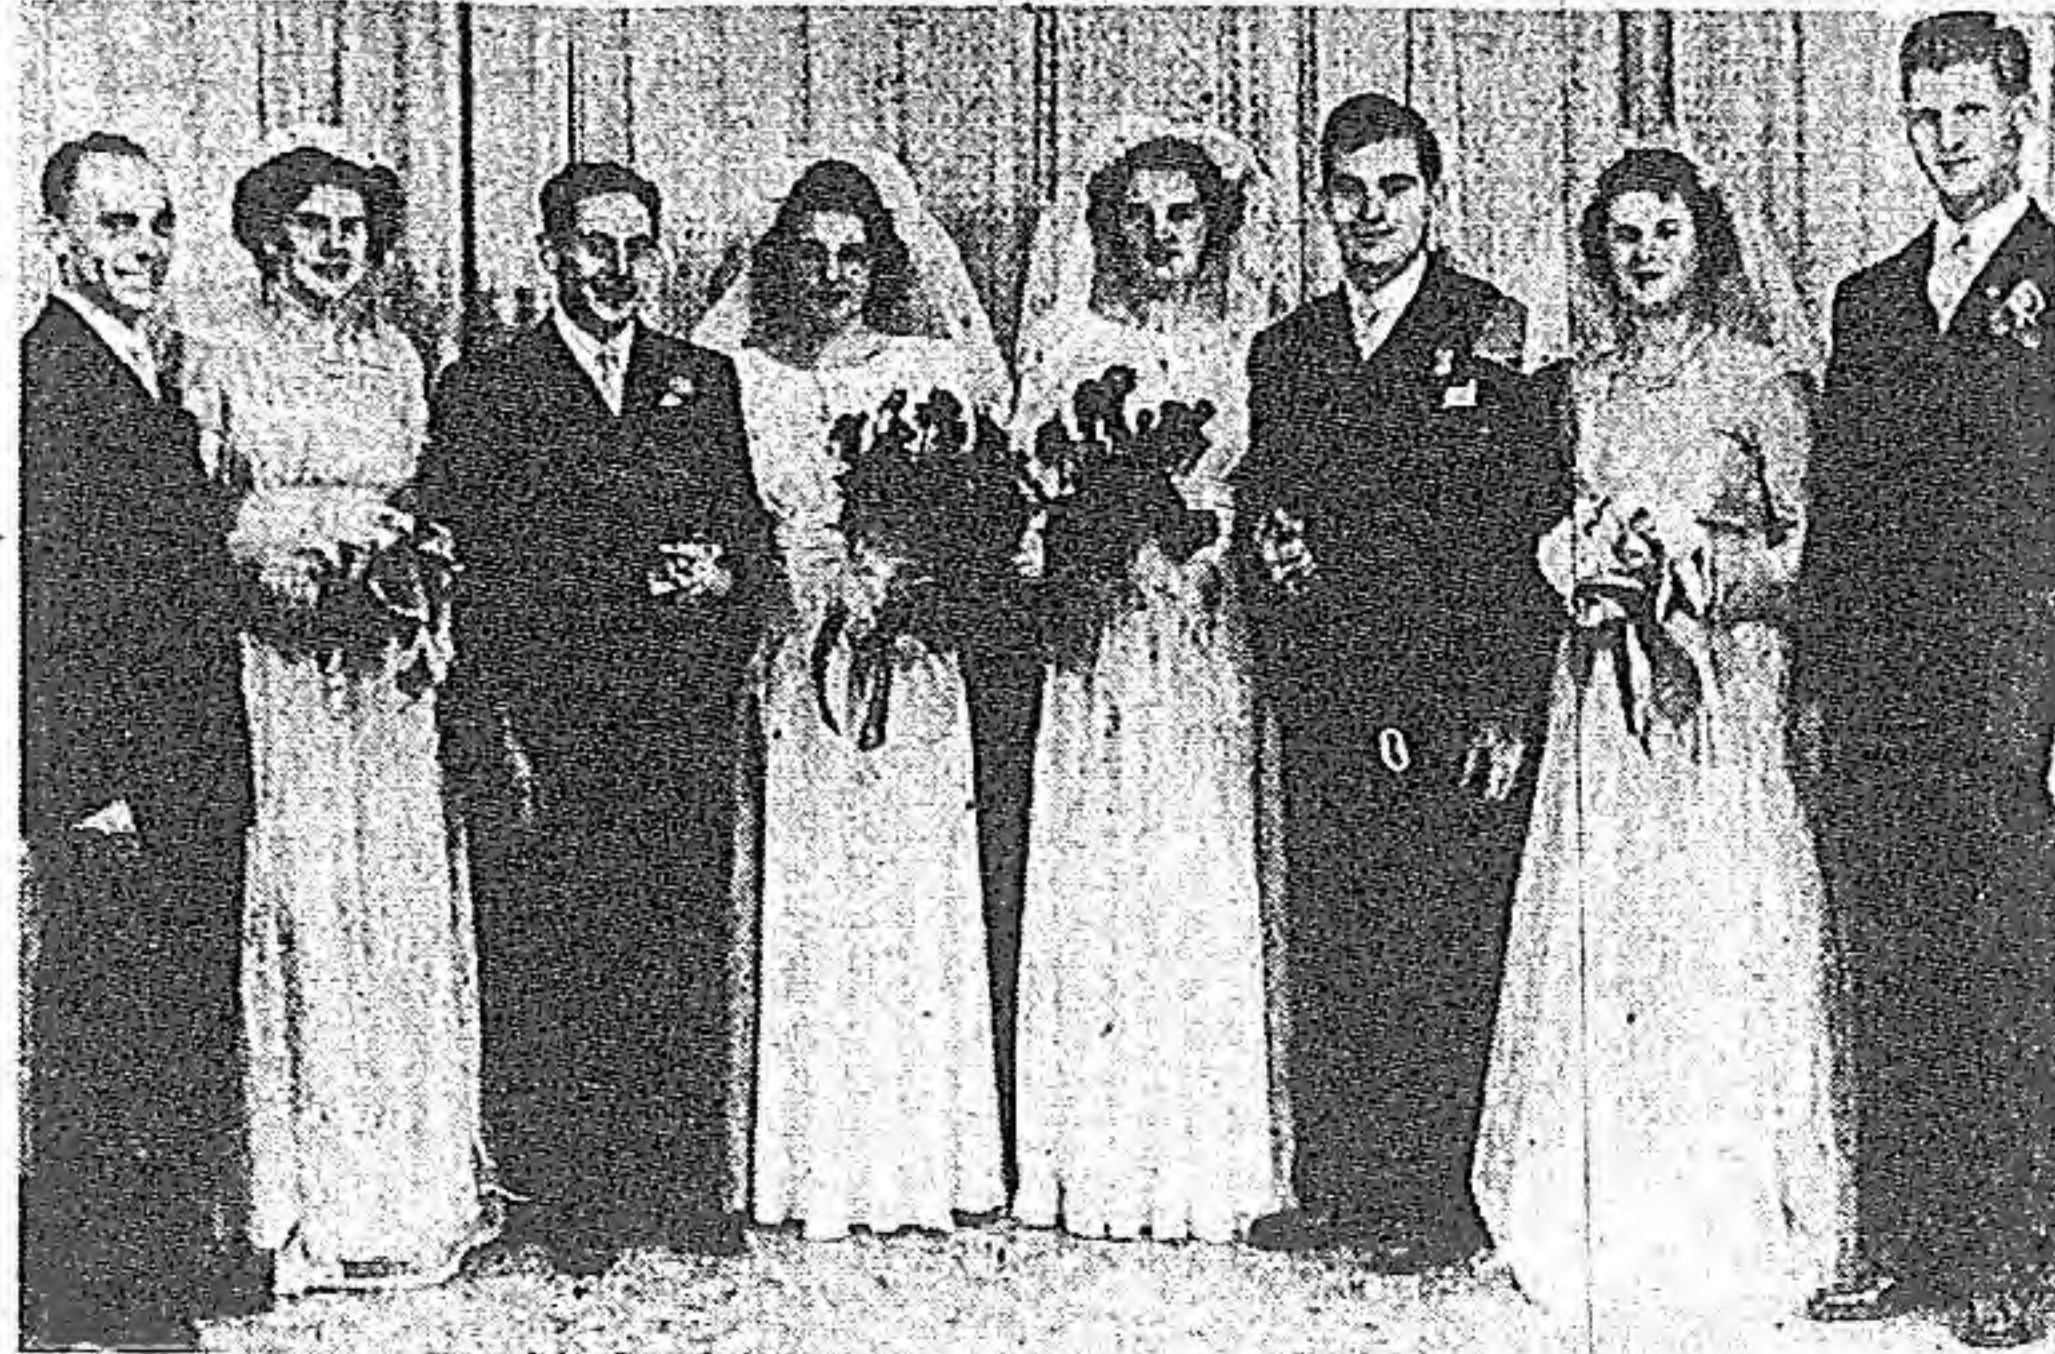

Mrs. Bert Spence, Toronto, is spending a week with her sister, Mrs. A. E. Tucker, and Mr. Tucker.

Harvest thanksgiving services will be held in the Baptist church on Sunday, Oct. 13. Rev. H. B. Hardy, a former pastor, Toronto, will be guest speaker.

ATTENDS CONVENTION

J. E. Gowland attended the convention of the Canadian Association of Chiropractors last Thursday and Friday. The cornerstone of the new addition to the Canadian Memorial Chiropractic College was laid on Thursday. There are 240 students in the college of which 70 percent are returned soldiers. On Saturday and Sunday, Mr. Gowland attended the convention of chiropractors and drugless therapists of Ontario at the Royal York hotel, Toronto.

Brethren Report Increase In Membership, Offerings

The minimum salary of ministers was increased \$300 at the annual provincial conference of the Mennonite Brethren in Christ church which concluded Sunday at Stayner. It was decided that ministers in small towns and rural districts, having more than one appointment, should receive an allowance towards their car expenses.

A committee was appointed during the conference to investigate the advisability of launching a church broadcast in Ontario.

Chairman for the 64th annual conference year will be Rev. R. A. Beech of Vineland. Secretary will be Rev. W. M. Shantz of Kitchener. Conference treasurer will be Rev. L. R. Piper of Toronto. District superintendents will be: west district, Rev.

P. G. Lehman; east district, Rev. S. S. Shantz, Markham; south district, Rev. R. A. Beech; north district, Rev. H. S. Hallman.

Oldest minister at the conference was Rev. S. Goudie of Stouffville, who has been present at every conference since 1885.

Reports indicated a slight increase in church membership over last year. Offerings were the highest in the history of the denomination and were 15 percent higher than a year ago. Offerings averaged \$60.04 per member, an increase of \$7.38 over last year's average of \$52.66. This was reported to be one of the highest averages of any denomination in the province.

MAGISTRATE'S COURT CAR DEALER FINED ON CEILING CHARGES

James Wilson of Sutton, 26,
pleaded guilty in magistrate's
court here last Friday of violat-
ing four of the W.P.T.B. regula-
tions concerning the re-sale of
used cars. Magistrate J. E.
Pritchard, K.C., presided.

On a charge of offering a 1941
Plymouth for sale for \$1,100, he
was fined \$350 and costs or three
months. He was fined \$100 and
costs or one month each on charges
of failure to complete and
file statements with the
W.P.T.B., failure to produce rec-
ords of cars and sales, and failure
to complete books and
accounts.

The ledger of the accused
contained no records of business
transacted since he took over the
business, and there were no de-
tails on his cheque book stubs.
Alfred Manser, W.P.T.B. investi-
gator, testified. He said the sale
price of the car was \$350 over

the ceiling.
J. G. Gardiner, K. C., for the
defence, said that accused had
only had a public school educa-
tion, and that he had found it
beyond his ability to keep the
required records. He said that
he had been unable to get an
auditor to do it.

J. M. Magwood, acted for the
Crown.

Charged by Constable J. E.
Jardine with dangerous driving,
William B. Graham, Toronto,
was convicted of the lesser
charge of careless driving. His
own statement was the only
evidence against him. He was
fined \$25 and costs or one month.

Nicholas Hoare, charged with
dangerous driving by Constable
W. R. Hill after his car had
crashed into a coal truck driven
by Cecil Harris west of Belha-
ven, was convicted and fined \$25
and costs or one month. Accused
admitted making a wide turn on
a curve and being wholly on the
wrong side of the road as he
approached the truck. According
to the evidence the car struck
the right side of the truck, the
latter being overturned by the
impact.

Hoare claimed, despite Harris'
statement that the car was
travelling fast, that he had not
been going over 25 m.p.h.

"If you were only doing 25
m.p.h. you should have been
able to stop," commented Magis-
trate Pritchard in passing sen-
tence.

Alfred Bergen, Lansing, was
acquitted on a charge of careless
driving following a three-car
collision at Armitage.

From the evidence, Bergen,
driving north on Yonge St. at
Armitage, clipped the left rear
end of a south-bound car driven
by Gordon Hubert, careened off
and ploughed into the car which
Hubert was passing.

Bergen claimed that it was a
three-lane highway, and that
both he and Hubert were passing
cars going in opposite directions.
He said that he lost control after
the impact with the first car.
Magistrate Pritchard decided
that evidence was not sufficient
to support the charge, and refer-
red the drivers concerned to the
civil court to settle the question
of damages.

K. M. R. Stiver acted for the
accused.

Everett Hodgins, accused of
careless driving, was fined \$15
and costs or one month. Hodgins
said that he had been driving
along a sideroad at 35 m.p.h.
When he put on his brakes to
stop at Yonge St., they failed
to hold, he said. When he tried
to negotiate the turn onto Yonge
St., he saw a southbound car for
the first time, and in an attempt
to escape a collision he lost con-
trol and turned over in the
ditch.

"I am satisfied that the ac-
cused did not have his truck in
proper control regardless of the
condition of the brakes," Magis-
trate Pritchard said. Prov. Con-
stable William A. Melbourne

Former County Constable Ronald Watt, left, has assumed his duties as chief constable of Newmarket. Mr. Watt has been stationed in Newmarket a number of years, resigning from the county force to join the Newmarket police force. James A. Leeder, centre, is deputy-chief following the re-organization of the police force by the police committee of the Newmarket town council. Earl Wrightman, right, first-class constable, joined the force shortly after returning home from overseas. Constable Wrightman recently received the U.S. Bronze Star Medal for his part in holding off an attack by S.S. troops on the Houen-Dieppe road in 1944. Night patrol work is done by Constable W. R. Curtis. Photos of Chief Watt and Deputy-Chief James Leeder by Budd.

laid the charge.
A charge of violating the
Lord's Day Alliance Act against
Morris Goldstein was dismissed.
Constables W. E. Martindale and
W. R. Hill testified that they had
found bowling alleys, operated
by the accused at Jackson's
Point, in operation on Sunday.
They had not seen any money
change hands, they said. Gold-
stein produced two licenses to
operate the alleys, both made
out to Frederick Sedore.

M. A. Cliff was convicted of
violating the Lord's Day Alliance
Act by operating the Jackson's
Point Drug and General Store on
Sunday. Constable Martindale
produced a pair of children's
overalls which he said he had
found there on Sunday. Ac-
cused was fined \$15 and costs or
15 days.

Harry Brown, Oak Ridges,
pleaded guilty to having liquor
in his car at Newmarket. He
was fined \$15 and costs or one
month. Constable Earl Wright-
man laid the charge.

Bob Pollock, Keswick, pleaded
guilty to having liquor in his car
at Briar's Park and was fined
\$10 and costs or one month.
Constable George Foster laid
the complaint.

**KESWICK
ARTHUR W. TOMLINSON
BORN IN BALDWIN**

Arthur W. Tomlinson, another of Keswick's citizens, passed away Sunday at his Toronto home, 96 Glenholm Ave.

He was born in Baldwin but had lived many years in Keswick, having retained his home here after accepting a Toronto position. A great lover of flowers, he spent many happy weekends at his home here, working at beautifying his garden, and was generous in sharing his flowers with others.

An adherent of the Christian church, of upright character and sunny disposition, he will be missed by many in his home town. He leaves his wife, May Lemon, and son, Arnold. His mother, Mrs. John Warriner, predeceased him some years ago.

The funeral was held on Wednesday from the chapel of Macdougall and Brown, St. Clair Ave. W., Toronto, with interment in Queensville. Rev. R. W. Serrick conducted the service.

Mr. and Mrs. George White and Mr. and Mrs. Orville King left by motor on Saturday for a three weeks' trip to Minnesota, U.S.A. Mr. Ritchie Cowan, son-in-law of Mr. and Mrs. White, accompanied them.

**CARSON-BLACK
RITES SEPTEMBER 14**

Amid a setting of autumn flowers, a pretty wedding was solemnized on September 14, 1946, at the home of the bride's parents when Laura Melissa, only daughter of Mr. and Mrs. Chalmers Black, Kettleby, became the bride of Robert Lea Carson, youngest son of Mr. S. Carson and the late Mrs. Carson, Dundalk. Rev. H. Wilson performed the ceremony. The wedding music was played by Mrs. Frank Curtis and during the signing of the register Mrs. Marie Draper Lyons sang All Joy Be Thine.

Given in marriage by her father, the bride wore a gown of white slipper satin with moulded bodice, gathered floor length skirt, long tight sleeves and a dropped shoulder roll of white satin. Her finger-length veil was held with a seed pearl head-dress. She wore a three-strand pearl necklace and carried a shower bouquet of red roses, bouvardia and fern.

Miss Kathaleen Kitching, Toronto, as bridesmaid, chose a gown of rose crepe made on princess lines with matching head-dress and gloves and carried a bouquet of pink roses, bouvardia and fern. Carol Jean Black, niece of the bride, as flower girl wore pastel pink nylon taffeta with sweetheart neckline and halo of pink net and shoulder-length veil and carried a nosegay of pink roses. Bruce Black, brother of the bride, was best man.

Following the ceremony a reception was held when the bride's mother received wearing a gown of lilac crepe with black accessories and a corsage of cream roses. She was assisted by the groom's sister, Mrs. Winter, Toronto, who had chosen a gown of grey crepe, black accessories and a corsage of pink roses.

For travelling the bride donned a colonial blue wool suit, brown accessories and the bridegroom's gift, a fur neckpiece.

Guests were present from Toronto, Port Credit, Brantford, North Bay, Capreol and Dundalk.

Mr. and Mrs. John McNeill, Jr., spent a few days in Toronto recently.

Mr. and Mrs. Frederick Jacques, Montreal, Que., who have been spending their honeymoon with Mr. and Mrs. Wm. Thompson, have returned home.

Sunday guests at the home of Mr. and Mrs. C. Marritt were Mr. and Mrs. C. J. Draper who have moved near Zephyr.

MRS. G. F. ATKINSON DIES IN 26TH YEAR

After a short illness, Mary Kathleen, daughter of Mr. and Mrs. Wesley Longhurst, and wife of George F. Atkinson, Newmarket, passed away in York County hospital on Friday, Sept. 13, in her 26th year.

Mrs. Atkinson was born at Hope, Ont., on Nov. 2, 1920. She was educated in Newmarket, attending the Alexander Muir school and Newmarket high school. She was a member of St. Andrew's Presbyterian church. Before her marriage she was employed in the Robt. Simpson order office at Newmarket.

The funeral service was conducted in the chapel of Roadhouse and Rose on Monday, Sept. 16, by Rev. J. A. Smith, assisted by Rev. H. Cotton. A favorite selection was sung by Mrs. Leonard Little, I Come to the Garden Alone. Interment was in Newmarket cemetery.

Besides her husband, she is survived by her parents, four sisters, Mrs. Neil Faris (Alma), Rhoda, Norine and Pauline, and two brothers, Howard and Arnot.

Pallbearers were Frank Burch, Leslie Wright, Arthur Bennington, Carl Phillips, Howard Graham and Fred Moncton of Midland.

In Memoriam

Milsted—In loving memory of our dear mother who passed away September 27, 1945. One year has passed, dear mother, Since you were called away. How well do we remember That sad and weary day. You suffered much, you murmured not; We watched you day by day. We cried and prayed that your dear life Would not be taken away. Sadly missed and ever remembered by daughters, Elsie and Florence.

Pegg—In loving memory of a dear father and grandfather, Samuel Pegg, who died October 1, 1945. The blow was great, the shock severe, We little thought the end was near, And only those who have lost can tell The pain of parting without farewell. More each day we miss you, father, Friends may think the wound is healed, But they little know the sorrow That lies within our hearts concealed. Ever remembered by son Fred, daughter-in-law Audrey, and grandchildren, Bobby, David and Jimmie.

Bache—In loving memory of Mary A. Bache who died September 25, 1945. And while she lies in peaceful sleep Her memory we shall always keep. Ever remembered by sister, brother, sister-in-law, nieces and nephews.

Letters to the editor are always welcome. If you have something on your mind, write it down and send it to the editor.

News On Recreation

By MICKEY SMITH, Recreation Director

Dramatics. The dramatic club is having a meeting Tuesday in the council chambers at 8 p.m. Mrs. Dorothy Bowman would like all the club members to be present.

Lacrosse. There will be a lacrosse practice in the arena on Saturday afternoon at 2.30 for those who are interested in playing in a midweek lacrosse league. Leave your name with us and if you have any hockey gloves, bring them along.

Baseball. The Newmarket juniors lost last Saturday to Stouffville and they are all through for the year. It was a hard way to lose after the O.B.A. gave them the o.k. the first time, then turned around and made them play the game over again. Newmarket Vets are one game up on Thornhill for the J. L. Spilletto trophy which can be seen in Budd's window. It is a lovely trophy and, Joe, we would like to thank you for donating it.

Soccer. We have run into a little trouble with our league but now it is all straightened out and we will try to play our first game this Friday night. Watch for bills later this week.

Checkers and cribbage. We have not had any word as yet who would like to play in a checker or club tournament. If anyone is interested in this form of entertainment we would gladly arrange a meeting to get this going.

Rodeo. The Newmarket Recreation council is bringing a rodeo to Newmarket on Nov. 11, 12 and 13. Don't miss this big attraction. It is for young and old.

Rifle club. There are quite a few people who are interested in forming a rifle club. We are getting their names and we will call a meeting next week to organize this club.

The Newmarket Legion is putting on a dance in the drill hall on Oct. 9 in aid of the Newmarket Recreation Council.
